The Canyon News

Fifty-first Year | Canyon, Texas, | Thursday, October 17, 1946 | Number 33

No More Men Called Until First January

All calls have been cancelled under Selective Service until Jan. 1st.

It is stated that the number of volunteers has been sufficient to take care of the needs of the armed forces.

A call has been made for Randall county to furnish men for physical examinations and for induction during October. These calls are cancelled because of the changed policy.

All boards have been ordered to make up new files on the men registered under a new system which has been adopted by Selective Service.

Dispersal of Herd At Tierra Blanca Farms Scheduled

One of America's largest and most extensive gatherings of straight Anxiety 4th cattle, owned by the Tierra Blanca Farms, will be dispersed Feb. 7-8, 1947.

W. A. McSpadden, one of the Panhandle's senior pure-bred breeders, is retiring from his ranching activities on advice from personal physicians. He made announcement of the dispersion last Sunday.

The two-day sale will be one of the greatest auctions in recent history of the cattle industry here. Not only will all animals in the Hereford herd be offered for sale, but all other livestock as well. Some 300 straight-bred individuals are included in the Anxiety 4th class.

At one time, Tierra Blanca Farm had one of the most prominent pure-bred swine lists in the nation. In years past, Mr. McSpadden won some of the highest honors of the show world in breeding both Holstein and Jersey dairy cattle.

Farming interests at Tierra Blanca Farms will be continued after the dispersion. The work will be carried on by Mr. McSpadden's present farm foreman.

Members of the registered cattle fraternity will have the chance at this auction to buy into a breed that has been built up over the past 17 years. Many animals in the herd were sired by The Lamplighter, a ranking Hereford male in history of the breed. The Lamplighter died some two years ago, but most of the young cattle on the Tierra Blanca range still carry his blood.

Col. Art W. Thomason and Col. Earl F. Gartin, top ranking auctioneers of the Hereford world, will conduct the sale. It will be held at the Tierra Blanca Farm, two miles east of town.

Andrew Jones Died Following Seven Years of Illness

J. Andrew Jones, 82, died at his home in Canyon following seven years as an invalid. The family moved to Canyon 16 years ago after he retired from farming. He was born in Alabama.

The funeral was held at the Church of Christ, conducted by the minister, Lyle Bonner, assisted by E. R. Carver.

Pall bearers were Albert Brown, Tom Lair, Eldon McCarter, E. A. Brown, Alan Dixon, G. W. Cox, S. H. Jones, C. M. Presley.

Survivors are: the wife; one daughter, Mrs. C. K. Cloud of Amarillo; two sons, H. A. Jones of Schiner, Okla., and Arthur J. Jones of New Castle.

PRESBYTERIAN CHURCH

Christian Home Sunday will be emphasized at the morning service of the Presbyterian Church with a message on "The Father's Kingdom."

The Youth Fellowship of the Christian and Presbyterian churches will meet for food, fellowship, worship and discussion, and for the election of officers in Fellowship Hall of the Presbyterian Church on Sunday evening at five.

The pastor, Rev. Robert W. Jones, is attending the meeting of the Synod of Texas of the Presbyterian Church USA in Fort Worth this week, as a delegate from the Presbytery of Amarillo. Rev. John R. Sharp is also a delegate. Mrs. Sharp is attending the meeting of the Synodical Society.

Lavina and Leavern Thurmon daughters of Mr. and Mrs. T. M. Thurmon, graduated from the San Jacinto Beauty School on October 5. The girls received their diplomas at a graduation party held in honor of the class. Leavern went to Austin last week and passed her State Board examination, and is now a Licensed Beauty Operator.

Mrs. Catherine Albers returned Wednesday from Dumas where she had been visiting her daughter, Mrs. Tom Harbert, for the past ten days.

Outstanding 4-H Club Girl Niece of Canyon Woman

Norma Jean Schuler of Lorenzo, daughter of Mr. and Mrs. Ted Schuler and niece of Mrs. J. M. Daugherty of Canyon, has been selected as the outstanding club girl of District No. 2 which includes West Texas.

Miss Schuler, now a freshman in Texas Tech attended the opening day of the Texas State Fair at Dallas. She was presented a decorative scroll by the president of the fair in recognition of her outstanding record. She has been in 4-H club work for six years.

Absentee Voting May Start Today

Ballots are ready for absentee voting in the general election on Nov. 5. Absentee balloting will start Friday for the special election on Nov. 7.

The two elections are causing a headache among county officials.

Ballot boxes will be returned to judges over the county on Wednesday, following the general election on Tuesday, Nov. 5, and then must be prepared to send back to the judges on the same day.

Such a mess has never been encountered before. County Clerk A. B. Holt and his office staff are wondering just how they are going to get by in handling the details of two elections within two days.

Stork Specials

A baby girl was born to Mr. and Mrs. Paul Hicks on October 9.

Mr. and Mrs. Truman Hite are the parents of a boy born October 12.

Mr. and Mrs. Wayne Talbert have a baby girl, born October 13.

A son was born to Mr. and Mrs. Lawrence Moore, October 15.

A son was born to Mr. and Mrs. E. A. Stocker at an Amarillo hospital.

Mr. and Mrs. James Vaughan of Dumas are the parents of a baby girl born September 29.

A son, Michael Douglas, was born October 11 to Mr. and Mrs. Harley Stone of Amarillo.

Mr. and Mrs. James H. Scott of Ft. Riley, Kansas, are the parents of a baby boy, William Robert, born October 5. Mrs. Scott will be remembered as the former Jacqueline Tabor.

Veterans To Get Flying Training Canyon Aviation

Final approval came last week to Canyon Aviation Service from CAA for veterans to take flying under the GI Bill of Rights. G. W. Cox, owner of the airport, has been waiting for some time for this approval to come through.

This school is designated as a Primary school and will offer training qualifying students for a Private Pilot Certificate. Ground school classes will be held twice a week in the evenings. Special arrangements may be made by veterans who hold full time jobs, to fly a minimum number of hours per week.

Three requirements must be met. The veteran must have his certificate of eligibility, a third class physical examination, and a Student Permit from CAA.

Further information may be obtained by contacting Hilton Lindsey, Claude Goldsmith or G. W. Webb at the airport.

Pfc. Charles W. Reeves of the USMC returned home Monday from Great Lakes, Ill. He will receive his discharge soon. He is the son of Mr. and Mrs. G. H. Reeves.

Reeves Donnell has returned from Hastings, Okla., where he bought several head of registered Milking Shorthorn cattle.

Mrs. Ida Zihlman of Wichita Falls has been visiting in the home of Mr. and Mrs. Reeves Donnell. Mrs. Zihlman returned home last week.

Help Keep Canyon Clean!

Rain Brings a New Problem to County Farmers

Another rain Wednesday night added .28 of an inch of moisture to the October moisture. This brings the total for the month to 6.01 inches. The total for 1946 is now 16.55 inches.

A few weeks ago there was danger of dust storms. Officials were worried over the prospects of dust erosion.

The heavy rains brought another problem to many farmers—water erosion. Scores of land owners have reported that their fields washed badly during the heavy rains, and that it will take years to work out the ditches which were washed, and to restore the soil which they lost by the rains. This was brought about by the fact that so much rain fell in such a short time.

AAUW Reception Held Monday

The Canyon branch of the American Association of University Women began its year's activities with a reception Monday evening, October 7, at 7 o'clock at the Home Management House. Hostesses were Miss Katie McCluney, Miss Elizabeth Cox, and Miss Gladys Armstrong. After the social hour, Miss Ruth Lowes, president, called a business session. Miss Lowes made a brief talk on the purpose and ideals of the Association during which she stressed the request of the national organization that the study of conditions of the local community be included in the program this coming year. Each member of the board of directors was introduced, and each gave a digest of her duties and work as an officer or chairman in the chapter.

The local branch voted to meet once a month, selecting the first Monday evening in each month. It was decided to present a gift of ten dollars to each of the two high school libraries, Canyon and West Texas State, for new books.

Various chairmen held sectional meetings from which four study groups were organized. The International Relations group elected Mrs. John R. Sharp as chairman. The first study topic of this group will be "Our Interdependent World." Another group with Miss Berta Williams as chairman, will study the topic "Economic and Legal Status of Women." Miss Wilma Hixson will lead the Social Studies. This group plans to study the economic problems and recreation facilities of veterans. Miss Nell Green, chairman of the Drama section, planned for the reading of a play at the next meeting. Forty members registered for the different sections.

Pictures of Alaska Are Shown Tuesday At Rotary Club

Members of the Rotary Club enjoyed an educational film on Alaska Tuesday at the regular luncheon. Mrs. W. L. Smith showed the film, which is a part of the film service of West Texas State.

The club will not meet next Tuesday noon, as a Rotary Ann meeting will be held Tuesday night.

Visitors were: Arnold Attebury, Arch B. Hunsley, Alex Kesse, F. H. Rietman, E. L. Roberts, W. W. Rusk, Lahroy White, A. R. Watson, Frank T. O'Brien, all of Amarillo; Rev. Joe Findley of Canyon; Rev. Robert C. Fling of Ennis.

AAUW Members at Lubbock Meeting

Members of the Canyon branch of the American Association of University Women attended a neighborhood AAUW meeting last Saturday, October 5, were Miss Novella Goodman, Miss Loula Grace Erdman, and the president, Mrs. Ruth Lowes. Dr. Margaret Lee Wiley, state president, was guest of honor and speaker. Among the ex-students of West Texas State College who are active members of the Lubbock branch and attended the meeting were, Neville Wrenn, Iudia Buzbee, Ruby Lattimore, Nellie Brown, Mrs. Ruth Pendergrass Dunn, and Mrs. Lizzie Kate Teal.

Charlie Gerald started drilling this week on his new irrigation well, located on his farm about 3 miles northwest of town.

Mrs. C. E. Escoe is here from Wellington visiting her two daughters, Lorene Johnson and Mrs. Nathan Watson.

Mr. and Mrs. Hank Decker spent last week end in the home of Mrs. Decker's parents, Mr. and Mrs. M. E. Brown, who live south of Canyon.

Mrs. Laura Duckworth of Vernon spent the week end in the home of her daughter, Mrs. Dan K. Usery.

Texas Farm Group Head Will Speak To the Farmers

Thursday evening, Oct. 24th, 7:15 p. m., over KFDA, J. W. Hamond president, Texas Farm Bureau Federation, Tye, Texas, will speak to the farmers and ranchers and 4,000 assembled Farm Bureau leaders in Texas, according to A. E. Wise, president of Randall County Farm Bureau.

Hammond has been president of the Texas Farm Bureau Federation since 1939. He is a member of the board of directors of the American Farm Bureau Federation, and also a member of the National Livestock Committee. Mr. Wise urges every citizen of Randall county interested in the welfare of Texas agriculture to hear this program which will be broadcast over station KFDA, Amarillo. The address will be informative and educational. People interested in the agricultural security of our nation will want to hear Mr. Hammond speak.

The Randall County Farm Bureau board of directors will hear Mr. Hammond's address while convened in a regular meeting at the Court house in Canyon.

The county group, in addition to hearing the broadcast, will select delegates to the State and National Farm Bureau conventions to be held in November and December.

City To Install Two New Lights

The City Commission will install two more traffic lights on Highway 87. Lights have been ordered for installation on 3rd and 5th Avenues.

One light is in operation at 4th Avenue. The three lights will check speeding cars and trucks on the highway.

The grand jury last week urged that lights be installed at 2nd and 6th Avenues also.

Citizens interested in safety have requested that two lights be installed on the public square, at the postoffice corner and at the city hall corner. Motorcycles and cars are making a race track out of 4th Avenue which has very heavy traffic, and will lead to serious accidents.

Recommendations have also been made to the City Commission that parallel parking on the south side of 4th Avenue along the court house be abolished and cars be allowed to angle park on the north side. This would provide more parking space than the present parallel parking on both sides of the street.

WTCU Held Meet Last Week at Christian Church

The Woman's Christian Temperance Union met on Thursday, October 10, at 7:30 p. m. at the First Christian Church. Mrs. R. W. Jones brought the devotional on "The Uncommon Christian." The scripture reading was taken from John 10: 7-11.

Miss Mary Moss Richardson gave a resume of the speech given by the national president, Mrs. D. L. Calvin. The main thought stressed was that the Woman's Christian Temperance Union stands for the extermination of the liquor traffic.

The meeting was closed with a prayer by the Rev. Hubert Thomson. The next meeting will be held Thursday evening, November 14 at 7:30 o'clock in the First Baptist Church.

HIGHLAND JUNIOR 4-H

The Highland Junior 4-H girls met October 9 at Wildorado School Roll call was answered by 11 members. Plans for a Hallowe'en party were made. The girls are all doing hem stitching projects now.

Refreshments of punch and cake were served to Wilma Kimball and Martha Jahnsen to club members and visitors, Mrs. Walker, Mrs. Gardner, Mrs. Ratcliff, Mr. and Mrs. Brightwell, and sponsor, Mrs. A. N. Green.

EDGETOWN H D. CLUB

Edgetown Home Demonstration Club will meet Friday, October 18, at 3 o'clock with Mrs. T. M. Thurmon for Achievement day program.

Miss Anita Davis left Saturday for Indiana where she will resume her studies in the University of Indiana. Miss Davis was employed at the News office during the summer.

Mrs. James Hodges and sons Jimmie and Bobbie are spending the week in Spearman in the home of Mrs. Hodges' parents, Mr. and Mrs. Fred Hoskins.

Guests this week in the J. W. McCrerey home are Mr. and Mrs. Palmer McCrerey of Hiawatha, Kansas.

J. W. McCrerey returned Thursday from a three weeks visit in Cameron, West Virginia.

Cantrell Back From Study of Youth Problem

Sheriff M. E. Cantrell returned Monday from Washington, D. C. where he was one of three sheriffs of the nation to meet with a selected group under the direction of Attorney General to study youth delinquency.

The Attorney General recognizes the serious condition which confronts the nation and is preparing to meet the crime wave which is sweeping the nation.

An FBI assistant called in representatives of all groups which will have to face this situation and asked advice on a national program.

All who attended were called upon for suggestions. Another meeting will be held in Washington, D. C. on Oct. 21. Sheriff Cantrell was invited to return for this meeting, but owing to the distance he will not make the trip. He gave his suggestions while in Washington.

Travel conditions are bad. The plane in which he made the trip had to cruise for three hours over Washington to await the lifting of a fog before it could land. Then he ran into the hotel strike, which was a great inconvenience. He was unable to secure plane passage home, and came by train.

FBI expects to issue its program in a short time.

Miss Potter Talked Thursday at the Lions Club Lunch

Miss Eula Potter, teacher at the Baptist Bible chair at West Texas State was speaker at the Lion's Club last Thursday. She listed in her talk a number of ethical "bridges" that can be built in peoples' hearts through knowledge of the Bible; among these are "bridges" from chaos to harmony, from selfishness to unselfishness, and from hate to love.

Speaker at the club next Thursday will be Supt. E. A. Wooten, of Canyon Public Schools.

Hospital News

S. L. Terry, Surgical
Mrs. H. M. Kinsey, surgical
Patsy McDonald, medical
Betty Burrus, surgical
Mrs. Hersey Williams, medical
Mrs. Ben Koch, medical
Mrs. Lorene Johnson, surgical
Mrs. Hosea Foster, surgical

Legion Auxiliaries Have Open House For Vets Wives

The American Legion and V. F. W. Auxiliaries are inviting the wives of all ex-service men of World War II to an open house in the Legion Hall on Thursday afternoon, October 17, from 3 to 5 o'clock. A nursery will be open at the Baptist Church for those who have babies.

RANDALL COUNTY SING SONG

The Randall County Sing Song Band will meet October 20 at the Methodist Church in Happy at 2:30 o'clock. A big crowd is expected and everyone is cordially invited to attend.

Mr. and Mrs. Dwight Axtell of Springlake, and their niece, Lillian Owens of Oregon, spent last Tuesday night in the M. E. Cleavinger home.

Mr. and Mrs. C. R. Burrow left Friday for Dallas where they are visiting J. O. Wright, brother of Mrs. Burrow, who is seriously ill.

Mr. and Mrs. Lee Foster and daughter are visiting friends and relatives at Dallas and Arlington this week.

Mrs. K. E. Frieze left Friday for Terrill where she is visiting at the home of her parents.

MISS GOODRICH HERE

Miss Lois Goodrich of New York City spent Monday here visiting with friends. She is a graduate of West Texas State, and a former teacher in the Canyon high school. She has been engaged in recent years in Life Camp of New York.

Miss Betty Faust of Allentown, Pa., an associate of Miss Goodrich in the Camp, accompanied Miss Goodrich. This was her first trip to Texas.

WE ARE SORRY!

The News should have printed 16 pages this week because of the large amount of news, much of which had to be left out. We simply did not have room to handle all of the last minute rush of advertisements and news stories, and did not have time to increase the size of the paper.

Coach Gus Miller Takes Over the Buffalo Football Squad Following Disagreement in Athletic Dept.

COACH GUS MILLER

Coach Gus Miller will continue as football coach of West Texas State, according to a statement issued Wednesday morning by President J. A. Hill. Following a disagreement in the athletic department last week, Coach Miller took charge of the Buffaloes Saturday night. Neither Coach W. W. Nicklaus or Assistant Leslie Van Meter were on the field. The future standing of Nicklaus and Van Meter on the faculty have not been announced.

The statement of President Hill follows:

"At a meeting of the athletics committee Tuesday night which was continued past the midnight hour it was unanimously decided to ask Gus Miller to continue his services with the football team until a final solution of the difficulties can be found. Both Coach Miller and the football team are highly commended for their performances in last Saturday night's game. I believe the results, under the circumstances, are unprecedented in college football history and I am deeply grateful to the athletics committee, Coach Miller, and the team for the successful handling of the situation.

"Coach Miller's record as a football mentor and his extraordinary qualities as a citizen guarantee that the team will be well cared for while further attempts are being made to solve the issues."

Man Drowned In Buffalo Lake

William J. Arnn of Amarillo was drowned Tuesday afternoon at 1:30 o'clock in Buffalo Lake when the the boat in which he was fishing capsized. H. A. Pickering, who was fishing with him, narrowly escaped.

The two men were in a home-made boat, which turned over. Both started to swim to the shore, and Pickering turned back to the boat when he saw that he would be unable to swim to the shore. He was clinging to the overturned boat when rescued.

Arnn was a brakeman on the Santa Fe. He is survived by his wife and five children.

Girl Scout Leaders Make Plans For Coming Year

Girl Scout Leaders held their meeting last Thursday, October 10, at the Methodist Church. Miss Frances Brown, Field Director of Girl Scouts for this area, met with the group and helped plan the year's work.

Mrs. F. M. Decker was elected president to take the place of Mrs. Roy Montgomery who has moved from Canyon. The group will meet once each month on every 2nd Tuesday of the month.

Plans were made for the observance of Girl Scout Week, October 27 to November 2. The girls will begin the week by attending church in a group at the First Christian Church. Plans were also made to organize a number of new troops and reactivating several old troops.

Palo Duro News

Mr. and Mrs. Doug Marshall and family spent the weekend in Graham visiting with Mr. Marshall's parents.

Mr. and Mrs. Uil C. Gunter and family visited with Mr. and Mrs. Cary Gunter and family at Groom and Mr. and Mrs. Harley Gunter at Claude Sunday.

Howard Graham of Farwell spent the week end with Oscar Schuette.

Members of the Lutheran Ladies Aid who attended the Lutheran Women's Missionary League Rally at Littlefield Thursday were Mesdames Henry Miller, Alvina Leseberg, Henry Meyer, George Albers, Emil Albers, Pauline Wendelken and Miss Phyllis Albers.

Mr. and Mrs. C. V. Wilkinson visited in the Uil C. Gunter home Wednesday.

Mr. and Mrs. Henry F. Miller and Betty Ann were dinner guests of Mr. and Mrs. A. E. Kampen in Amarillo Sunday.

Dinner guests in the Fred Schuette home Sunday were William Schuette, Helen Schuette, and Howard Graham.

Alan K. Albers spent Tuesday night in the E. H. Albers home on an eighteen hour lay over in Amarillo.

MRS. JOE CANADA HONORED AT SHOWER

Honored guest at a "Pink and Blue" shower Monday afternoon, October 8, was Mrs. Joe Canada. Hostesses were Mrs. R. B. Ulch and Mrs. W. O. Harris. Games were played during the afternoon, after which the honoree opened her gifts.

Refreshments were served to Mrs. Cecil Kinny, Mrs. Marvin McBroom, Mrs. W. L. Rice, Mrs. Cecil Gann, Mrs. J. B. Canada, Mrs. N. A. Jones, Mrs. Joe Canada and the hostess.

Those sending gifts were, Mrs. Maude Walters, Mrs. F. F. Canada, Mrs. T. T. Fain, Mrs. C. W. Dunn, Mrs. W. P. Manning, and Mrs. Louis Fleming and Mrs. Morella Kirkpatrick of Amarillo.

MARRIAGE LICENSES

Jessie Leon O'Neal to Bobby June Brant, October 10.

Clyde D. Norwood to Ruth White, October 14.

Mr. and Mrs. D. R. Weaver moved into their new home on Second Avenue this week. Mr. Weaver is going into business here and will occupy the building formerly occupied by Cooper's Market.

School Lunchroom Is Sponsored By The Government

The school lunchroom is filling a long-felt need in the public school and community. The success of this project since its beginning in October, 1944, is due to the cooperation of a large number of individuals and groups, and to circumstances existing at this time.

The need for this activity was apparent at the time, and even before, our Government began sponsoring lunch programs in the early years of the depression, when our local American Legion post, in cooperation with other agencies, did what they could with the very limited means available, to meet what was then a serious situation with many families.

It has been the aim of those in charge to make this a self-sustaining activity, and to encourage the children in right thinking along the lines of healthful diet, by providing as wide a variety of nutritious foods in proper combinations as is possible with a reasonable minimum charge, with the hope that through this generation we might in some small way help make future generations stronger in both body and minds.

Everyone's splendid cooperation has been greatly appreciated by the school board, the faculty, and the lunchroom employees; and all are cordially invited to visit the lunchroom during the noon hour as often as possible. The presence there of parents and friends will be as welcome, and as helpful, as visits to the classrooms have always been.

Due to the very limited financial means of the school district, it is necessary that the lunchroom be a self-supporting project. With continued cooperation this will be possible.

R. C. Hillier Will Leave Sunday For a Visit in England

R. C. Hillier will leave Sunday for New York where he will sail on Oct. 25 for London. He will visit his native land for the first time since coming to America. Mr. Hillier has many relatives whom he wishes to visit and to see the devastation done by the air raids during the war.

Mr. Hillier expects to return home in January.

Charlie Sutton of Happy celebrated his 58th birthday Sunday, October 13, and most of his family were present for a family reunion. Members of the family who were there included Mrs. Elmer Holman, Mrs. Max Barnard, Mr. and Mrs. John R. Pool and Johnnie Sue, Erma Sutton, Mr. and Mrs. Albert Legate and daughters from Littlefield and Mr. and Mrs. Charlie C. Sutton and Charlene of Happy.

Mrs. Oscar Phillips and Leroy have returned to their home in Lubbock after having spent 3 weeks in Rochester, Minnesota, with Mr. Phillips who is working there. Mr. Phillips plans to go through the Mayo Clinic in Rochester before he returns home.

Miss Mary Moss Richardson and Mrs. Jesse Chambers left last week for a two months visit in Paris and vicinity. Miss Willie M. Claxton who has been a member of the household at Rest Cottage for 7 years, will be at Rest Cottage during Miss Richardson's absence.

Miss Phyllis Albers attended the Lutheran Women's Missionary League Rally in Littlefield last Thursday. Miss Albers was re-elected as Secretary of the Panhandle zone.

Editorials

VOTE NOVEMBER 5

The average reader probably does not realize that the general election comes on Nov. 5. There has been so little of a campaign in Texas that you would hardly believe that all of our public offices are to be filled in a few days.

The Republicans have put out a ticket from United States Senator, down to State Commissioner of Agriculture. Old J. E. McDonald has been a good Republican and supported every Republican candidate for president since the New Deal came into power. Therefore McDonald has no Republican opponent, the only candidate for state office who is running without opposition.

The voters are to ELECT our officers in November, although we look upon the July and August primaries as really having settled our political affairs in Texas—a one party state.

At the bottom of the election ballot will be found three constitutional amendments. These amendments can only become a part of the state's law when approved by the voters. Therefore each and every voter should go to the polls and vote upon these amendments. It is the only chance that the voter has to participate in the passage of the laws of the state.

The first amendment is an old familiar one. It has been rejected once by the voters of Texas. The story back of this constitutional amendment to pay for a building at John Tarleton College is a weird one. It is the story of a contractor who built a building for the state and has never been paid. Refusal to pay its debts is a reflection on the state. When the appropriation bill of 1937 was passed there was an item of $75,000 for a science building at John Tarleton College. But when the appropriation bill was finally sent to Governor Allred, this item was omitted through error. The Governor issued a deficiency warrant and a contractor built the science hall. Allred should have investigated before issuing the deficiency warrant. He had been attorney general and should have known the law. But the question was submitted to Attorney General Gerald Mann, who ruled that the Governor could not issue a deficiency warrant for items which were in the appropriation bill, but were overlooked in final passage. As a result the contractor is left with $75,000 in state warrants which are worthless. This is the only time in history that such a boner has been pulled. But it does not relieve the duty of the people in paying the honest debts of the state.

The second amendment calls for a plan for the state and counties to provide a retirement, disability and death compensation system for officers and employees. We have no idea just what such a system would cost. In recent years there has been an increased demand that the government take care of everyone, except the taxpayers. We are trying to get more light on this amendment before election day.

The third amendment seeks to protect the highway fund of the state, which is the largest fund in the state. Various efforts are made to try to divert money from this fund for other purposes. If this amendment is written into the constitution, it would be impossible to divert any money from this fund. The fund can be used only for road and highway work. In view of the fact that Texas is now building a great system of farm-to-market roads, and every farmer wants such a road, this amendment will be carried. So far we have heard no opposition to the proposition, and there are many who are working for the amendment.

At any rate, you should go to the polls on November 5.

Yes, and do not overlook the fact that you should go back to the polls and vote for another constitutional amendment on November 7 to provide for the sale of land to veterans. This amendment is the $300,000 boner of the last session of the legislature, when someone wrote into the amendment the wrong date for the election. It will cost the state that amount of money to hold the second election, and a few voters will want to go to the polls twice in the same week.

All Texans will praise the demand of President T. S. Painter for peace in the University of Texas. After Dr. Rainey was fired by the Board of Regents for insubordination, the faculty was in a state of turmoil. Sides were taken by the faculty members. This inexcusable condition continued until the primary this summer when the people spoke and Rainey was snowed under at the ballot box. Faculty members continued to fight among themselves after the primary. Dr. Painter seemed to hesitate to tell the faculty how to head in, hoping that good sense would finally prevail among the educators. Rainey is whipped; he is definitely out. Those who prefer to hang onto his coattail should have sense enough to resign and join the army of unemployed with Homer P. We hope that the decree of Dr. Painter will end all of the confusion which has prevailed in Austin. The University of Texas is too big and too important to be ruined by little selfish squabbles.

It is said that Bernard Baruch employes experts at his own experts at his own expense to investigate national problems. He is noted for doing his thinking and talking on a park bench. During World War I he was the chief adviser of President Wilson. During World War II he told President Roosevelt that labor should be drafted and ceilings set on labor prices the same as on materials. Not many men have the means to employ such a large staff for the sole purpose of trying to be of service to his country. No one questions the patriotism of Baruch, or his devotion to the one cause of trying to help out in trying times. Having served on the Atom Control Commission, Henry Wallace now bobs up with his ideas, which were promptly challenged by Baruch. Henry is a glib talker, but he will not get away with the facts which are thrown at him by this elder statesman.

Only a quarter of a century ago congressmen were distributing free garden seed to their constituents, but the practice was discontinued as wasteful. A billion dollars was still a figure looked upon with awe by our lawmakers. Times have changed since then. Now the taxpayer has more than garden seed to worry about in the way of government spending. The popular order is to have the Federal government finance everything from kilowatts to fertilizer, and from local community spending to compulsory cradle-to-the-grave security. "No seed" is chicken feed savings too small to figure in the new order. "Sometimes we find . . . we are wishing we were gack . . . in the comparatively innocent, carefree and simple times when free garden seeds were considered to be an unholy political racket.

We were quite surprised to see such an ardent New Dealer as Senator Pepper question the right of OPA to live. He compares the popular attitude toward OPA to that of national prohibition a few years ago. When national prohibition broke down, the people were ready to vote it out. The difference with OPA is that it went out of existence on June 30, and should have remained dead. By this time the people would have readjusted themselves without the need of this government bureau to do the impossible. If Senator Pepper wants to kill OPA, let him go to it. The sooner we get rid of half of the 3 million government employees, the sooner the national budget will be balanced.

The Southern Weekly, published by Peter Molyneau, continues to preach for the two-party system in Texas. Unfortunately the arguments of the Weekly are not read by the rank and file of the Texas voters. This is a splendid magazine, thoughtfully edited by highly capable writers. But when we want to find out what the people of Randall county are thinking we hang around the postoffice and court house and hear what the voters are talking about. We are sure that the two-party system would be a great improvement over the one party system that now exists throughout the South. But getting that system adopted in Texas is something else.

Senator Taft of Ohio, who wants to be president, criticises the Nuernberg trial of the German criminals as something entirely too spectacular and needless. But Governor Dewey, who likewise wants to be President, comes to the defense of the procedure. Most laymen agree that the trial was something entirely too long and needless to get rid of a bunch of thugs, but the purpose back of the trial was to try to educate the German people of the fairness of the English speaking people. If this trial gave the Germans this idea, the long trial may have been worth while. Naturally you would expect these two rival Republicans to disagree.

We have an idea that if Russia refuses to go along with UNO, one of these days the plan will be junked and a new organization set up without Russia. In such an event Russia would then use her influence to hold together the states which she now controls against the balance of the world. There can be no question about the necessity of unity of friendly nations. But a strong power, like Russia, might cause us some real headaches.

Suspension of the draft until January 1st will meet the approval of fathers and mothers who dread seeing 19 year old youths inducted into the peace army. It is now pretty certain that when the government pays soldiers enough there are plenty of volunteers. Perhaps the threat of Selecting Service hanging over their heads causes so many volunteers. We shall have to wait until after January 1st to see.

To read of the increase in cattle rustling around our big cities indicates just how far people are willing to go to overcome the unjust rulings of OPA. The black market, created by OPA, fosters cattle rustling.

This is the craziest football season experienced in years. Every college has a wealth of material, but teams are playing erratic games. Defeats of the week can hardly be chalked up as a fair estimate of the strength of any team.

The people of Russia are said to wonder why the people of the United States continue to talk about war while they are talking of peace. We hope that it is true that Russians are thinking of peace, and not of war.

No matter how low a man may drop in the scale of society, there is always a woman and a dog that will love him.

Peace, Brother

Strangely, Father Divine, "The Harlem Messiah," has 5000 followers in Switzerland, where there are no Negroes. Here is "Chief Angel" Riesen, speaking to the faithful at Zurich. Behind him is a picture of Father Divine, and above, a legend, "I know that you are God."

AMARILLO AUTO CLINIC

Located in Amarillo at 815 W. 6th. Phone 24252.

They have just recently moved from their Old Address after serving the Public for 11 years at 400 W. 7th. They can serve you better at their large and modern location, 815 W. 6th, a two Story Building with all new Equipment, so take your Auto Troubles to Messrs. S. D. Hanes, Sr. and S. D. Hanes, Jr., Owners.

Featuring Emergency or Periodic Check-up, 24 Hour Service, Factory Trained Mechanics, Money-Saving Equipment, Reliable Replacements, Battery Charging, General Auto Repair, Electrical Service, Cadillac, Buick, Chevrolet Specialists, Auto Part and Accessories.

It has always been the policy of this popular garage to give maximum of service at the lowest possible price. This is proven by the thousands of satisfied customers who are their patrons.

In the Amarillo Auto Clinic "Service" is the motto and is backed by reputation, proving that real service is offered. There every detail of equipment and the finest experts among workmen to give your automobile attention it may need are to be found. The service here includes everything from making the smallest repair to completely overhauling your car.

The business here is conducted under the personal direction of Messrs. Hanes, Sr. & Jr. They have gained much repute throughout this section and this is due to the efforts of these gentlement, who at all times give customers the best that can be had for the money.

Amarillo Auto Clinic is very important and adds greatly to the advantages of every owner of an automobile. The fact that visitors and local patrons can get real service at this up-to-date institution instills in the mind of the automobilist's confidence in the fact that all his troubles can be taken care of in a "Most Workmanlike Manner."

We know of no concern more fully equipped or better prepared from the point of workmanship to be able to turn out work of class, for its reasonableness of charges and for getting it done when promised than Amarillo Auto Clinic. ADV.

Farmers & Stockmen Welding Works

Located in Amarillo at 2312 E. 3rd. Phone 25260.

They specialize in Cattle Feeders, Stock Tanks and Cattle Guards.

Mr. Lee Kitchens, Owner. Mr. Tom Miller, one of the Best Blacksmiths in the Panhandle, is Connected with this Shop. They say Bring your Welding and Blacksmith Troubles to Them.

There is no one institution that is more important to the life of the community than this company which is aiding in the conservation of our resources and the promotion of thrift in the county by the furnishing of service that saves the people many thousands of dollars.

They realize when they started into business that it was necessary to equip this place in the most complete and modern style and have installed the latest of scientific machinery for the welding of steel, cast iron, brass, bronze and aluminum, any size and shape. Their service is a great accommodation to the people as tourists, manufacturers, farmers, and in fact, everybody has found that the work will be as strong if not stronger than originally, but welded at a much less cost than the getting of a new part, and that it can be done in a short time, thus saving the public endless delay in ordering of new parts.

Farmers & Stockmen Welding Works are prepared for the welding of cast iron and steel, by the electric or acetylene method of welding. Efficient welding service is essential to every community. Often times you can save many dollars by having something welded instead of having to make a purchase of a new one. Don't ever throw away anything that is broken until you have first asked this firm if it can be successfully welded.

In charge are welding craftsmen of unusual ability and skill and the work has the commendation of everyone. No matter what may be the job you should take it to them and have a consultation and they will promptly tell you what can be done. If for any reason it cannot be repaired or will not pay you, they will promptly tell you so. ADV.

SHOE HOSPITAL

Located in Amarillo at 213 W. 7th. Phone 7010.

Just recently moved from 518 Taylor, Amarillo's Leading Shine Parlor, "The Blue Jacket," is also still Connected with them.

Shoe Hospital is offering the people of the city and this territory an essential service and everyone should take advantage of their high grade repairing of shoes for men, women and children.

There are many people today who yet think that a shoe is repaired all right as long as it is fixed so they can wear it again. But in the progressiveness of this line, things have changed and the modern methods used today insure the owners of shoes repaired at this up-to-date establishment double the life of the old time way of repairing. Therefore it behooves everyone to see that they are getting the longest life possible out of their shoes. by having them scientifically repaired at the Shoe Hospital, for the latest machinery is in use and the best materials on the market, which insures that shoes repaired at this establishment will be stitched in the same way the factory used in their manufacture.

This concern has added in no small measure to the progress and prosperity of this section, and in this trade, review, we are glad to refer our readers to this concern for anything in the line of first class shoe repairing and suggest that if you have repairing of this nature that you mail them in by parcel post and the return postage will be paid by them, as they guarantee all work done by them to be the best, while their prices are always reasonable; while you find that the shoes you thought were worthless will be good for many more months year.

The manager of this well known up-to-date and modern equipped shoe shop is one of Amarillo's leading businessmen and has saved the people of this community many hundreds of dollars in the repairing of their shoes. He is also a man that appreciates any business given him, whether it be a large or a small job. ADV.

Tom & Roy's Gun & Key Shop

Located in Amarillo at 513 Tyler. Phone 20771.

Safes Opened and Repaired; Combinations Changed; Expert Gun Repairing.

This is a key locksmith of ability who offers a complete service and is in a position to take complete charge of all locksmith work. Keys made for any make of automobile. He can make any key while you wait and furnish locks and keys of all kinds. It is such firms as this one that are a real asset to any community, having at all times the best interests of the people at heart and lending their knowledge and skill to the people in the community in which they are located. The days when people could sleep without locks on the doors or when your tools were safe because nobody wanted them to work with are over and everything of value should be safe-guarded with lock and key.

The motor car has brought about an increase in the lock and key business. Keys are easily mislaid and frequently lost. Thus an increased demand for the services of key makers and locksmiths in the past few years. This firm specializes in the making of keys of all kinds, all sizes and in any quantities. They have the facilities to make keys for any lock regardless of where the lock is used or the delicate mechanism.

When you need the services of locksmiths, safe experts, or gun repairmen, see them. Here we know that you will get the very best of service possible and at prices that are always reasonable. ADV.

Canyon

EVERYONE knows that tides are caused by the strange force of attraction exerted on the sea by the moon.

Utilizing molecular attraction (basic force that holds things together) Conoco scientists bring America's motorists new and better oils. In fact, a special ingredient of Conoco N*th* motor oil is bonded to working surfaces of your engine by an attraction so strong that cylinder walls and other parts are OIL-PLATED.

And because molecular attraction holds Conoco OIL-PLATING up where it belongs . . . prevents it from all draining down to the crankcase, even overnight . . . you get these benefits:

added protection when your engine starts up

added protection from corrosive action

added protection from wear that leads to fouling sludge and carbon

added smooth, silent miles

That's why to OIL-PLATE now . . . at Your Conoco Mileage Merchant's. Look for the *red* triangle. Continental Oil Company

MIRROR BEAUTY SHOP

Located in Amarillo at 204 W. 10th. Phone 20681.

Mrs. Mozelle Prince, Owner.

This Beauty Salon is done in nice soft colors with just a pleasant odor of creams, fine soaps and cleanliness. The low voices of competent operators who know how to do their work and who turn you out looking lovely are most soothing and refreshing. They are altogether conversant with hair and its way. They have a fund of information and knowledge as to what should be done with hair and what may reasonably be expected of it.

Finger waving is done at the hands of an artist. Their waves confer a gracious distinction to natural or permanently waved hair. You will feel and look like a new person after one of their remarkable facials.

They are kept busy practically all the time and it is a good plan to make an appointment for the work you wish or you may be disappointed at the last minute. We wish to commend this popular beauty shop upon the remarkable high standing it has in this community. ADV.

The sugar rationing program has called for more than 700,000,000 forms, cards, and booklets, and about 12,000,000 pounds of paper.

Schaeffer and daughters, Evelyn, Fayerene, Annabelle, Mr. and Mrs. Hollis Shipman and children Jerry, Nan Eryle and Gene, Mr. and Mrs. G. E. Wesley, LaVinia Amerson.

Those seen in Canyon Saturday were Mr. and Mrs. Chas. Sutton, Mr. and Mrs. E. W. Schaeffer and daughters, the A. E. Wise family, Mr. and Mrs. G. E. Wesley, Mr. and Mrs. J. W. Wesley, Vesta and LaVinia Amerson.

Details for Homecoming Perfected As KGNC Plans Monday Broadcast

Opening events of the annual Homecoming celebration of W. T.'s ex-students will be aired over the Panhandle by Station KGNC at 10:15 o'clock Monday night, October 21. The rest of the week will be a build-up to the main events scheduled for Friday night and Saturday.

Starting Monday, students will blossom forth in western garb to enhance the old west spirit of the celebration.

A bonfire pep rally will be held Friday night followed by a dance lasting until midnight. The registration of exes begins Saturday's activities at 9 o'clock.

At noon there will be a barbecue (free to exes and to the members of visiting bands) and then there will be the coronation of the football queen and the competition.

According to M. J. Newman, director of the band meet, approximately 20 Panhandle communities will send their musicians here to compete for honors in high school, junior high, and grade school divisions.

High point of the celebration will be the clash between W. T.'s Buffaloes and New Mexico A & M Aggies at 2:30 Saturday afternoon. KGNC will broadcast the game.

Homecoming week will be brought to a fitting end by various class and club reunions and teas. Three-count 'em—three dances will be held Saturday night.

A radio crooner is to get $30,000 a week for transcriptions. A Congressman's new salary is $12,500 a year. As the man didn't say, "Let me sing songs and I don't care who makes the laws."

Perhaps one reason the dollar will not do as much for you as it used to is the fact that no one wants to do as much for a dollar as they used to.

"The world can't afford a third world war," says an editor. Of course it can't—it couldn't afford Nos. 1 and 2.

A diplomat says the Paris conference is just a lot of "quack, quack, quack." And not a wise quack in the bunch.

The Texas State Guard is organized for the purpose of handling civil disturbances, mob and riot control, and disaster relief.

His profession requires that he keep abreast of the constantly changing economic picture.

His Rate Book contains the facts on how and what to save to provide protection for your family ... mortgage cancellation ... or business insurance. He has the means to assure your children a college education, or to start a business of their own. He can show you the easiest, least expensive way to provide a retirement income for old age. He is ready to counsel with you at any time, without obgligation. Ask him today for a plan for you to consider.

Southwestern Life Insurance Company

C. F. O'DONNELL, PRESIDENT HOME OFFICE • DALLAS

BOWMAN NURSERY

Located in Amarillo 3 miles South of City Limits on Canyon Highway. Phone 24048. Mr. Richard Massey, New Manager.

Under the able direction of people who made a wide study of the business and are practical growers.

Everything is guaranteed true to name and up-to-date. Many varieties of ornamental and shade trees, flowering shrubbery and evergreen Flowers are grown right, dug right. These are kept in a healthy condition so that when they arrive they are in excellent condition and will grow rapidly. The nursery business requires considerable capital as well as a very wide range of experience and ability. The managers have been in the business practically all of their lives and are students of vegetable life. They are wide readers of the latest authorities such as Burbank, as well as being practical and original producers. They understand the scientific parts of trees and plants, being thoroughly conversant with all conditions of the plant life and their industry is the cause of their large business today.

When it comes to the purchase of this class of goods these men should be considered and we desire all of our readers to consider very carefully before ordering from someone else. They are right near and their reputation as neighbors is building them all they can sell. If you order any certain kind of plant you get exactly what you order. It is one of the places where real fresh nursery stock can be purchased and you will find the managers courteous and most willing to give information that you desire.

With the dawn of the new prosperity, the era of scientific landscape gardening with the growth of wealth and luxury in the republic, also comes the desire and admiration for estates properly landscaped and gardened; and under these conditions we predict for Bowman Nursery a future filled with real promise. ADV.

Prior to the death of Charles VIII of France, in 1498, widows wore white as mourning. His queen, Anne, changed the custom when she clothed herself in black.

Thomas Alva Edison, with more than 11,000 patents to his credit, was America's most prolific inventor.

SHERIFF'S SALE

THE STATE OF TEXAS
COUNTY OF RANDALL

By virtue of an Order of Sale issued out of the Honorable 47th District Court of Randall County, Texas, on the 4th day of October, A. D. 1946, by the Clerk thereof, in the case of The State of Texas versus Mary J. Brown Et Al, No. 525-T and to me, as sheriff, directed and delivered, I will proceed to sell within the hours prescribed by law for Sheriff's Sales, on the First Tuesday in November, 1946, it being the 5th day of said month before the Court House door of said Randall County, in the city of Canyon, Texas, the following described property, to-wit:

All of the West ⅓ of North ½ in Block No. 13, Victoria addition to the town of Canyon, Randall County, Texas.

Levied on the 4th. day of October, 1946, as the property of Mary J. Brown et al to satisfy a judgment amounting to $105.47 in favor of The State of Texas, Plaintiff, and Canyon Independent School District of Randall County, Texas and the City of Canyon, Texas Impleaded parties defendants, and cost of suit.

Given under my hand, this the 4th. day of October, 1946.

M. E. CANTRELL,
Sheriff, Randall County, Texas.

Canyon Air Service Given Green Light By CAA Approval

If you happen to look up and see some airplanes performing seemingly strange contortions, don't get alarmed — it's probably some more fledgling pilots trying for their wings. Yes, final approval came through last week for the GI Flying School, and now all veterans who are interested in learning to fly, may do so under the GI Bill at Canyon Air Service. This is good news to many veterans who have been waiting for this program to break for some time. The school is authorized now as a primary school only, and will qualify students for a Private Pilot Certificate. However, after more demand is cerated for Commercial and Instructor's ratings, there is a possibility that the school will be approved for these advanced ratings.

Veterans who are interested in this program, should first get their certificate of Eligibility. This can be done by taking or sending all necessary papers to the Vets Admin- is created for Commercial and Inthem, of course they will be put through much faster, but sending is satisfactory. The second thing to do is get a third class physical examination from any licensed physician, and the third requirement is to obtain a Student Permit from CAA. After these three things are done, the prospective pilot is ready to fly.

Hilton Lindsey and Claude Goldsmith are expecting a full house of students, and quite a few have already enrolled. Time and equipment are limited, so if you're interested in getting into this first class of veterans, contact Lindsey, Goldsmith or G. W. Webb at the airport right away, because it will be two months or more before the second class starts! Those already enrolled are C. L. Rosson, Sam Bright, S. E. LaRue and Jimmie Bailey all of Amarillo, and Thomas Henry Foster and Odell Gus Miller of Canyon.

George Cox is now operating two separate programs for veterans—one for the college, and the above mentioned for veterans who wish to fly with the help of the GI Bill and who are not enrolled in another educational program.

Aspirants for the "wild blue yonder" from the college are Jacob V. Huber, Vernon Crooks, Charles Smith, V. A. Crawford, R. Jukov, R. B. Brown and Russell Jones.

1946 AERONCA

We went out last Sunday afternoon and flew the new 1946 Aeronca, the ship which is being used for student training. It is one of the sweetest flying small ships in our experience, and especially good for training students. George Cox is very fortunate in having three of these new Aeroncas for training purposes, and the students are lucky to be flying new ships. All the more reason for the continuation of the excellent safety record.

AVIATION CONFERENCE

Don't forget the Southwest Aviation Conference being held this week-end, October 18-20, in Amarillo. Amarillo aviation promoters are getting ready for this fourth annual conference, and it promises to be instructive as well as convival. Originated in 1942 by the Amarillo Chamber of Commerce, it was bypassed last year due to the uncertainty of the war's end. Reservations are already piling in from all over the state and out of the state. Kermit, way down state, has indicated there will be 12 persons from there. Everyone is invited, and the conference is by no means restricted to persons with pilots' licenses or those directly connected with aeronautics. There are no officers, and the meeting is always held in Amarillo. Registration will begin at 8:30 Friday morning and the discussions and speeches will continue through Friday to Saturday noon. These will be held in the Herring Hotel. Tying in with the conference is the dedication and formal opening of Tradewind Airport located South of Amarillo, and incidentally in Randall County.

Aviation hosts in Amarillo are going to spread on all the trimmings, so if you've been hankering for one of those good old time aviation get-to-gethers, then make it to the Southwest Conference this week-end.

NOTICE TO BIDDERS

Sealed proposals addressed to W A. Warren, Mayor of Canyon, Texas, will be received at the office of City Secretary, City Hall, until 8:00 o'clock P. M. October 25, 1946 for furnishing all necessary materials, machinery, equipment, superintendence, and labor for constructing the Foundations for a 200 M-Gal. Elevated Water Tank furnished by others for City of Canyon, Owner, in Randall County , Texas.

Bidders must submit Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Bidder's Bond from a reliable Surety Company, payable without recourse to the order of W. A. Warren, Mayor for the City of Canyon in an amount not less than five (5%) percent of the largest possible bid submitted as a guaranty that Bidder will enter into a contract and execute bond and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without required check or Proposal Bond will not be considered.

The Successful Bidder must furnish performance bond on the attached form in the amount of 100 percent of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the OWNER.

All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "Unbalanced") unit prices will authorize the OWNER to reject any bid.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions.

Attention is called to the fact that there must be paid on this project not less than the general prevailing rates of wages which have been established by the OWNER and included as a special provision to the specifications.

Instructions to bidders, proposal forms, specifications, and plans are on file at the office of Harvey W. Schmidt, Consulting Engineer, 221 Paramount Bldg., of Amarillo, Texas.

Copies may be secured from Harvey W. Schmidt upon deposit of $10.00 which deposit will be returned to the CONTRACTOR upon submission of a bona fide bid on the work, with such Plans and Specifications; or upon returning the Plans and Specifications immediately after examination of same, and advising the ENGINEER that bid will not be submitted: otherwise the deposit shall be forfeited.

ORCHID BEAUTY SALON

Located in Amarillo on the Ground Floor of Santa Fe Bldg. Phone 7135.

The Simpson Sisters, Juanita and Melba, Owners, invite you to Bring your Beauty Troubles to them.

Every phase of modern beauty work is featured at this popular shop. Here only skilled operators are employed and after a visit to the Orchid Beauty Salon you can be sure that you will be well-groomed for the occasion. The next time you have a permanent or any beauty work done make an appointment at this leading shop. Phone them.

All that is needed is a trial to convince the most exacting. They maintain a modern and up-to-date establishment. This is the business which we wish to call to the attention of our women readers for it is conducted solely for their benefit. This is a day and age when women, both old and young, are paying more attention to the little things which keep them from having a look beyond their years.

For many years women have been having their faces massaged and their hair taken care of by women who make it their business to know what is the best and what should be done to preserve the hair and remedy face troubles.

It is only in the last decade that the women have realized that it was necessary to have this work done for they thought that if their hair was clean that was all that was necessary. In this modern shop it is possible to have the face treated in such a way that the little wrinkles and skin troubles vanish them with the years.

In this line of hair work their service is very complete as it not only includes the hair, but all other phases of beauty work, all being accomplished according to the most approved and scientific methods. In making this review of the social and business life of this part of the country, we are glad to compliment the Orchid Beauty Salon as a first class establishment. ADV.

DEPENDABLE CAB COMPANY

Located in Amarillo at 314 W. 3rd. Phone 20079.

Mr. Felix Williams, Owner. 24-hour Service with Courteous Drivers.

When you are in Amarillo and in need of a taxi to take you safely and quickly to a hospital, hotel, railroad station or to attend to any business transaction, that requires transportation, why not use this inexpensive service.

There is possibly no other concern in Amarillo that offers a more complete service to the people of this and surrounding territory than the Dependable Cab Co. They solve the parking problem as you can leave your own car at home and will have no need to work as to where you can park it. Just engage a cab of this company, as they are always prompt and save you long waits and long walks. You will find their cabs operated by careful, efficient and polite drivers. The cars give you the same comfort and service as those of a much higher rate. You will readily recognize these cars by the name Dependable Cab Co., painted in large lettering on both sides of the cars.

We wish the management every success in this new business venture, because it shows that they are progressive business men, thoroughly abreast of the times, by giving the people of this community this popular service.

In a review of this nature, it affords us much pleasure to recommend this company and their services to our readers and to state that their services compare favorably with the best in the country. Give them a trial the next time you are in need of transportation for any purpose and we are sure that you will be entirely satisfied. ADV.

NUGGET CAFE

Located in Amarillo at 521 E. 10th. Phone 20341.

One of the finest and most popular places at which to dine in Amarillo is the Nugget Cafe.

The service is unexcelled and the prices are consistently reasonable. This cafe is recognized throughout the state as a meeting place for hosts of out-of-town visitors and as headquarters for good things to eat. Messrs Cox and Mills will not buy or accept anything inferior in the line of food stuffs. This coupled with the fact that they employ chefs of more than ordinary ability insures the choicest of food cooked just the way like them. The most modern equipment and utensils have been provided and everything is kept scrupulously clean.

From this extensive display of foods one may indulge in his or her favorite delicacy or dish, getting as large or as small a portion as desired. The spacious quarters are charmingly appointed, comfortable and convenient. With business acumen and foresight Messrs. Cox and Mills have studied the needs and demands of people of this section and have struck the popular chord of public approval.

In this entire section there is no other establishment that surpasses this well known eating place for satisfaction and service. We are pleased to give the Nugget Cafe commendation for the high character of their service and the leading position they occupy.

The management will be found to be courteous and accommodating at all times. They are veterans in the business and cordially invite everyone to come in and get acquainted and enjoy a delicious home-cooked meal. The managers are fair and square in their business dealings, therefore it is not strange that customers of the Nugget Cafe seldom think of going elsewhere. Messrs. John Cox and Al Mills, Owners.

GROEN'S BOOT & SHOE SHOP

Located in Amarillo at 3007 W. 6th. Phone 29147.

They feature Expansion Work for Crippled People.

When the heel of your shoe becomes worn on one side, rough or stony walks give your feet pain, or there is a broken part in the upper, it is time to see this reliable shoe repair shop.

At this popular and progressive repair shop you will find them courteous and accommodating. They will tell you the best way in which your shoes should be repaired to give you the longest number of walking miles. If you have foot troubles, tell them about them and they will rebuild your shoes to overcome the trouble.

The manager sees to it that only the highest grade of leather goes into your shoes. He is a veteran in the shoe repair business and you can depend upon his talented services. When your shoes are repaired at this establishment they will give you as much wear as when first bought and worn.

At this store you will find laces for all kinds of shoes. A polish for every shoe, be it black, tan, white or whatnot. They feature everything for the repair and care of shoes.

In this Business Review we are glad to recommend Groen's Boot and Shoe Shop to our readers as being thoroughly reliable. ADV.

Hawn's Fruit & Grocery Market

Located in Amarillo at 320 NE. 8th. Phone 9071.

They have Just Recently installed a complete Line of Groceries for Your Convenience.

This popular market carries the finest line of fresh fruits and vegetables to be found in this section. You will be pleased with their quality goods as well as their moderate prices, prompt and efficient and courteous service is offered by this modern fruit and vegetable market. They conduct a clean and attractive place where housewives like to make their selection for the table. They are utterly reliable and dependable. The manager has had years of experience in the retail fruit business and knows this line from A to Z. As a result the service of this popular firm has reached a high state of efficiency.

The name of this popular market in the trade territory has become synonymous with nationally known home or pure foods and provisions.

A local food market where you may be sure you are getting the best and getting it for less. Excellent refrigeration and sanitary conditions assure you of satisfaction. They sell their foods as reasonable as can be expected to be consistent with high quality. If a grocery sells quality goods at prices lower than the average it is plain to see the savings are passed on to its customers. People in this section have learned that they can save materially on their purchases at the Hawn's Fruit and Grocery Market. Therefore it is gratifying in these days of high times to have such a grocery as this that leads in the reduction of the cost of living for the working people.

We take great pleasure in referring the Hawn's Fruit and Grocery Market to our many readers. ADV.

WALLACE & CECIL MOTOR CO.

Located in Amarillo at 706 Van Buren. Phone 26405.

This is one of the modern and up-to-date automobile establishments of this section and enjoys a large patronage.

In their very complete repair department they give excellent service and repairing on Chrysler Products. They employ only men who are expert mechanics and have a real understanding of the engineering principles of automobiles. In addition to their expert service you will find their prices very reasonable.

This garage is conveniently located and commodious enough to look after both the local patrons and the traveling public. It is safe from every standpoint. Wallace and Cecil insist that everything for the convenience of the patron shall be taken into consideration by his genial force of helpers.

An automobile is a machine. A machine will not run forever without attention and some repairs. So every one of you car owners must at some time or another see a reliable repairman to put your car in order. If you drive your car into Wallace & Cecil Motor Co. it will be put in working order in the least possible time and at the least expense and you're sure of a reliable job as every bit of the work done by this firm is fully guaranteed in every way.

One of the features of their service is that for a small price they will remove that dangerous deposit of carbon from your car and return to you a clean and power-developing engine.

Wallace & Cecil Motor Co. will be pleased to give you the best of service and give attention at any time. In making this review of our onward progress we wish to compliment them upon the efficiency of their service, the progressiveness of their dealings and their popularity with the people of this section of the state. ADV.

CITY SIGN COMPANY

Located in Amarillo at 609 Harrison. Phone 22271.

Mr. V. M. Rippey, Owner.

In the face of discouraging prophecies by well known men, Neon Lights are known today throughout the civilized world, their present stage of perfection was the result of years of persistent effort which finally overcame a series of disheartening failures.

The advent of Neon lighting revolutionized the sign industry, and similarly, the modern factories, necessitated by a rapidly increasing demand superseded the cluttered old-fashioned sign shops. Over most of the world there are factories busily engaged creating Neon Electric Displays. These are the backbone of the Neon organization.

On every hand are heard comments on the attractiveness of Neon Electric Display which are available in many colors of non-glaring beautiful colored lighting which is sure to attract the eye. They are a true economy as they burn from 20% to 25% of equivalent current consumed by an electric sign making it possible to burn them 24 hours a day.

The City Sign Company maintain a policy in their outdoor advertising which holds, the corporation and good will of the public and aids in the development of this vicinity through the essential service they render.

Through outdoor advertising this company promotes the process and expansion of individuals, corporations and the community itself.

We wish to compliment the City Sign Company on their beautiful electric displays and to say that they are community asset rendering an essential service. ADV.

OUR DEMOCRACY——by Mat

"She holds aloft the Light which illumines the way to man's enfranchisement."

SAID PRES. GROVER CLEVELAND AT THE UNVEILING OF THE STATUE OF LIBERTY ON OCTOBER 28, 1886

PRESENTED TO OUR NATION BY THE PEOPLE OF FRANCE, A MONUMENT DEDICATED TO INTERNATIONAL GOOD WILL, A SYMBOL OF HUMAN LIBERTY— THE SOUL OF DEMOCRACY

News In Canyon 25 Years Ago

(Taken from the files of the Randall County News of October 20, 1921)

Randall county won 7th place in the county competition at the Dallas State Fair. 23 individual ribbons were won by the exhibitors.

The Canyon high school won from the Hereford high school 49 to 0.

A daughter was born to Mr. and Mrs. A. W. SoRelle.

A fire in the Thompson Hardware Co. warehouse did damage to personal effects of C. L. Thompson which were stored in the room.

Local fans gave members of the Buffalo football squad heavy blankets.

400 college students attended the progressive church social given in the local churches.

President Harding has set aside Armistice Day as a day of prayer for permanent peace.

Marriage license were issued to Emil W. Schaeffer and Miss Grace White.

The Holland Tunnel, connecting New York City and Jersey City, and built under the Hudson River, is the most expensive automobile road ever built in this country. It is only 1.6 miles long, but cost $48,000,000.

Pilgrim's Progress was written by John Bunyan while he was in Bedford jail, in England, where he had been imprisoned because of his religious beliefs.

The girl who sinks in his arms often ends up with her arms in his sink.

Eyes of Children Should Be Guarded Very Carefully

Emphasizing the urgent need for parental supervision of all phases of child health, Dr. Geo. W. Cox, State Health Officer said today, "Much of the impaired eyesight of advanced years could be prevented if sufficient interest in early life were applied and a correction by means of temporary glasses made when required."

Parents, Dr. Cox asserted, should be watchful for danger signals in the child such as frowning, squinting, persistent headache, eyeache, and watery eyes. If the youngster reads too closely or too far away from the face, that situation may also be significant of trouble.

"No child likes wearing glasses, nevertheless, it is the obligation of those responsible for the future of young folks to have their eyes examined by a reputable specialist if there is a suspicion that normal vision does not exist. It is much better for a child to wear glasses for a few years during early school life than to have permanently defective vision in later life," he declared.

Dr. Cox said that neglect of the eyes is by no means limited to children. Many older persons, some through vanity, indifference, or carelessness, fail to give proper attention to the care of their eyes. Penalties, he warned are bound to occur for such inexcusable negligence.

"The eyes of any person, whether young, middle-aged, or older represent one of the most priceless of bodily possessions," the State Health Officer asserted. "To take care of them promptly and properly is a responsibility which never should be sidestepped."

On November 11, 1794 the United States signed a treaty guaranteeing every Indian on the tribal rolls of the Six Nations, six yards of calico annually.

THE STATE OF TEXAS,
COUNTY OF RANDALL.

To' William C. Ellis, and the heirs and legal representatives of said William C. Ellis, Defendants, and all other proper persons, including lien holders, owning or claiming, or both, any interest in the land or lot hereinafter described, same being delinquent for taxes to plaintiff and to The State of Texas taxing units in said State herein impleaded by plaintiff.

And you are hereby commanded to be and appear before the 47th District Court of Randall County, Texas, at the next regular term thereof, to be held at the Courthouse of said County, in the City of Canyon, Texas, on the first Monday in January, 1947, the same being the 6th day of January, 1947, to plead and answer Plaintiff's Petition filed in said court on the 11 day of October, 1946, together with pleas of intervention and claims now on file or hereafter filed in said cause by all other parties therein, in a certain suit No. 529-T in which Amarillo Independent School District is Plaintiff, and William C. Ellis, the heirs and legal representatives of said William C. Ellis, and the State of Texas are defendants, and then and there to show cause why judgment should not be rendered against you, and said land or lot sold under foreclosure of lien to satisfy the following taxes being delinquent against said property, to wit:

Lots 6 and 7, in Block E, of the Broadmoor Addition to Amarillo, in Randall County, Texas, which is delinquent for taxes due plaintiff in the sum of $13.45, exclusive of penalties, interest and costs, for the years 1929 to 1945, inclusive, together with all interest, penalties and costs allowed by law.

Given under my hand and seal of said Court, at office in Canyon, Texas, in the County of Randall, this 11 day of October, A. D. 1946.

(Seal)

A. B. HOLT,
Clerk District Court,
Randall County, Texas.

MONARCH CLEANERS

Located in Amarillo at 520 W. 6th. Phone 9762.

Quality dry cleaning and tailoring. They are equipped to do all classes of cleaning and give prompt service to out-of-town business.

Quality dry cleaning and tailoring. They are equipped to do all classes of cleaning and give prompt service to out-of-town business. Reliability, reasonable charges and expert work have caused the patronage of this firm to steadily increase since it first started operation. The plant has been equipped with the latest machinery, so that they can handle all classes of dry cleaning in a most satisfactory manner. Every garment left with them is given their best attention and this fact has caused them to build a reputation that covers a wide territory. No work is too difficult to handle. They specialize in all classes of dry cleaning both for men and ladies and the most delicate dresses are handled in a most careful manner. To the men of the Monarch Cleaners this means that your clothes are not only pressed but actually shaped the same as when new, which gives them that new appearance that is so desirable.

They extend a special invitation to our readers to visit their plant and see how hundreds of garments are handled by their expert workmen. The work is turned out in such a manner, that you will be more than pleased if you give it a trial.

The most delicate fabrics are handled as carefully as they would be in your own home as only experienced and expert help are employed in the work. Cleaning clothes is not only taking out the dirt, but also consists of turning out a clean, smooth garment which one would be proud to wear. They are prominent business people and among our most valued citizens. ADV.

O'Neal-Brant Vows Spoken Here Saturday

In the beautifully decorated church parlor of the First Baptist Church, Miss Bobby June Brant, daughter of Mr. and Mrs. A. G. Brant, became the bride of Mr. J. L. O'Neal, son of Mr. and Mrs. C. F. O'Neal of Moriarty, New Mexico. The double-ring ceremony was read Saturday afternoon, October 12, by Dr. Roy L. Johnson, in front of an improvised altar flanked with baskets of chrysanthemums, dahlias and cosmas.

Preceding the ceremony, Bob Kilgore sang "Because" accompanied by Mrs. Kilgore, and Fern Cunningham sang "One More Tomorrow" also accompanied by Mrs. Kilgore. Traditional wedding music was played.

The bride, who was given in marriage by her father, chose as her wedding costume a blue jersey dress with matching hat, and black accessories. Her corsage was of white gardenias.

Miss Vesta Gamble, who attended the bride as maid of honor, wore a black dress and black accessories, and her corsage was of red roses.

The bride's mother was attired in a green suit, with gold and rust accessories. She wore a corsage of bronze chrysanthemums.

Mr. W. W. O'Neal, uncle of the groom, served as best man.

Immediately following the ceremony the couple was honored at a reception given in the home of the bride's parents. The bride's chosen colors of pink and green were carried out in the decorations. A beautiful lace cloth covered the table which was centered with the wedding cake. Pink and green candles burned in the entertaining rooms, and the guests were served punch in pink and green crystal. Mrs. Louise Jarvis of Amarillo served the cake and Mrs. John Gamble presided at the punch bowl. Miss Phyllis Perkins registered the guests, and those who signed the bride's book were: Mrs. J. T. McWhirter, Fern Cunningham, Marvin Fite, Wilbert Long, Phyllis Perkins, Louise Jarvis, Opal Joyce Brant, Guy Brant, Ann Holt, R. A. Beverly, Vesta Gamble, Mr. and Mrs. John W. Gamble, Mr. and Mrs. W. W. O'Neal, Mr. and Mrs. Bob Kilgore, Georgia Faye Holt, and George Blackwell.

Following the reception, the couple left for a week-end honeymoon trip to Amarillo. Mrs. O'Neal is a graduate of West Texas State High School, and is a senior at West Texas State College. She is a member of Delta Zeta Chi sorority and Kappa Omicron Phi, national honorary Home Economics organization.

The groom is a graduate of the Spanish-American Normal at El Rito, New Mexico. At present he is employed by Clinton P. Anderson, as trainer for Mr. Anderson's race horses at the tracks in Phoenix, Arizona.

RALPH H. D. CLUB HAS ACHIEVEMENT DAY

Achievement day program for the Ralph Home Demonstration Club was held October 9, in the home of Mrs. Kenneth Burum, club demonstrator.

Visitors present from other clubs were, Mrs. J. V. Williams and Mrs. Casey from the Park club, and Mrs. Hood from the Edgetown club. Mrs. J. E. McGehee was welcomed into the club as a new member.

Each demonstrator gave her report on her sewing projects for the years, after which games were played and prizes awarded the winners.

Delicious refreshments were served to the guests and to members Mrs. Clarence Adcock, Mrs. Lonnie Byars, Mrs. Kenneth Burum, Mrs. Si Elliott, Mrs. Tom Gooch, Mrs. Crews Henry, Mrs. Sam Hill, Mrs. H. R. Hungate, Mrs. L. S. Johnston, Mrs. John Lill, Mrs. Gordon Jones, Mrs. David Horn, Mrs. J. E. McGehee.

The country store will be held on Saturday, October 19 at the court house. Exhibits are to be up by 11:30 a. m. and the sale begins at 1:30 p. m.

Next meeting of the club will be with Mrs. C. O. Elkins on October 23.

ROBERTS-CARTER VOWS SPOKEN AT LEVELLAND

Mr. and Mrs. C. J. Carter of Levelland are announcing the marriage of their daughter Ann, to Harold D. Roberts of Canyon, son of Mr. and Mrs. W. E. Roberts.

The single-ring ceremony was read Saturday, September 28 at 9:30 p. m., by the Rev. Jack Lewis, pastor of the First Presbyterian Church in Lubbock.

The bride is a 1946 graduate of Levelland High School.

The groom is also a graduate of Levelland High School, and served three and one-half years in the Army Air Corps as a gunner. He was discharged as a Sergeant last March, following one and one-half years overseas duty.

Following the ceremony, the bridal couple left for a short wedding trip to Canyon and Amarillo. They are at home in Lubbock where the bridegroom is attending Draughons Business College.

PLEASANTVIEW H. D. CLUB MET WITH MRS. M. B. BROWN

The Pleasantview Home Demonstration club met Thursday, Oct. 10 in the home of Mrs. M. B. Brown, with Mrs. Billy Brown as hostess.

The president, Mrs. A. B. Haynes, conducted a business session. Plans were discussed for the exhibit to be held at the County Fair October 19.

Plans were made for the lunch at the M. O. Slack farm sale, Wednesday, October 23. Miss Lou Ella Patterson discussed the two demonstrations to be carried next year, "House Planning" and "Family Life."

Refreshments of hot chocolate and cookies were served to the following members: Mrs. Tom Moore, Mrs. Earl Burtz, Mrs. M. B. Brown, Mrs. R. N. Cook, Mrs. Carl Heizer, Mrs. Harold Heizer, Mrs. A. B. Baker, Mrs. A. B. Haynes, Jr., Miss Lou Ella Patterson, Mrs. Billy Brown and one guest, Mrs. Mary Stipe.

WARREN'S

MOTHER-IN-LAW CLUB WITH MRS. MYERS

On Thursday, October 3, Mrs. W. S. Myers was hostess to the Mother-In-Law club, in her home on 3rd Avenue. Lovely arrangements of cut flowers and pot plants decorated the entertaining rooms.

The meeting opened with the group singing "America" and Mrs. R. D. Lowery, club president, conducted the business session, in which Mrs. Otto White was elected as reporter to succeed Mrs. R. B. Holland who recently moved away from Canyon. Mrs. M. E. Sorgee was asked to serve as program chairman.

Mrs. Mary Langston favored the group with several piano selections and Mrs. M. E. Cleavinger gave an interesting reading.

Dainty refreshments were served to Mrs. Nettie Cleland, Mrs. G. W. Cox, Mrs. T. M. Thurmon, Mrs. I. W. Scott, Mrs. W. H. Sparks, Mrs. M. E. Cleavinger, Mrs. C. H. Stratton, Mrs. J. W. Bourn, Mrs. Cynthia Anderson, Mrs. R. E. Foster, Mrs. Esther Myers, Mrs G. B. Bourland, Mrs. N. A. Croson, Mrs. Mary Langston, Mrs. M. E. Sorgee, Mrs. R. M. Gibbs, Mrs. W. G. Rose, Mrs. J. C. Dowd, Mrs. R. D. Lowry, Mrs. I. M. Steen, Mrs. Dan Higgins, Mrs. Fred Marshall, and visitor Mrs. Belle Ward, and the hostess, Mrs. Myers. The next meeting will be with Mrs. E. C. Penick.

MRS. WESLEY HOSTESS ACHIEVEMENT DAY

Mrs. J. W. Wesley was hostess Friday, October 4, for a county wide Achievement Day. Mrs. Wesley was "clothing demonstrator" and the Wesleys are also "windbreak demonstrators." They have done a great deal of work along this line on their own place.

As clothing demonstrator, Mrs. Wesley has accomplished many things this year. She has made 90 garments from sacks at a very small cost. She has been a club member for 12 years and has been a demonstrator every year she has been in the club.

An attractive exhibit of sack sewing and hand made articles was displayed by the women.

Mrs. A. E. Wise gave a book report on "Papa's Bank Account."

Refreshments were served to visitors Mrs. Otto White, Mrs. Lavert Avent and Miss Lou Ella Patterson, Mrs. Bud Selvidge and Sherrill, Mrs. Ida Cowart, Mrs. M. M. Tucker, Misses Evelyn and Annabel Schaeffer, Vesta and Lavenia Amerson, Troy and Etta Jean Sharpes, Naomi, Mildred and Billy Bryan, A. E. Wise, S. F. Sharpes, and E. W. Schaeffer. Members present were Mrs. Oscar Read, Mrs. Doris Gillham, Mrs. E. M. Wilson, Mrs. Lester Bryan and Doyle, Mrs.G. E. Wesley, Mrs. A. E. Wise, Mrs. T. J. Myers, Mrs. Serena Bryan, Mrs. H. H. Shipman and Gene and the host and hostess, Mr. and Mrs. J. W. Wesley.

WEINER ROAST HONORS STUDENTS

Canyon High School students were entertained Wednesday, October 2, with a weiner roast given by Mr. and Mrs. A. E. Wilkinson. The Wilkinsons own the store across the street from the high school. Trucks, cars and pickups conveyed some 200 boys and girls to the Roadside Park, where the weiner roast was held.

AVALON BROWN HONORED AT BIRTHDAY PARTY

Little Avalon Brown, daughter of Mr. and Mrs. Ellis Brown, was honored with a birthday party Wednesday on her seventh birthday. She received many lovely gifts. Games were played during the afternoon, and refreshments of hot chocolate, cake and pink and white popcorn balls were served to thirty-five guests.

ZITA HOME DEMONSTRATION CLUB WITH MRS. FULTON

Zita Home Demonstration club had their achievement day at the home of Mrs. H. B. Hales, Oct. 8, with Mrs. Forrest Gruner giving a fine report. The program chairman, Mrs. B. E. McCormick, gave some stunts. Mrs. E. A. Michael gave an interesting talk on things she learned at the Farm Bureau meeting that she attended in Amarillo.

Refreshments of jello salad, cake, pickles, olives, peanut pimento sandwiches and coffee were served to: Mrs. Forrest Gruner, Mrs. M. H. Rockwell, Mrs. Wayland Angel, Mrs. Ralph Ruthart, Mrs. H. R. Fulton, Mrs. H. D. Rose, Mrs. Jess Upchurch, Mrs. E. A. Michael, Mrs. B. E. Bennett, and hostess Mrs. H. B. Hales and four guests, Mrs. Verne Gordon, Mrs. James Gueyn, Joy Rose and and Nancy McCormick.

Next meeting will be with Mrs. Wayland Angel, Oct. 22, a Hallowe'en costume party.

CARD OF THANKS

We wish to express our appreciation to our many friends for the floral offerings and the many cards of sympathy received at the time of our sorrow.

Mrs. J. M. Shepherd, Mr. and Mrs. G. M. Shepherd and daughter, Mr. and Mrs. Glenn Dowlin and family, Mr. and Mrs. M. D. Shepherd, Mr. and Mrs. J. D. White and sons, Mrs. Fern Shepherd, Clovis Shepherd.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Help Keep Canyon Clean!

Buffs To Play Mines Saturday

Flushed with their first victory of the season and eager to meet a team coached by a former West Texas State Mentor, the Buffaloes will travel to El Paso this week to meet the Muckers of Texas Mines on Saturday.

This will be an important conference game for the Maroon and White since they have already dropped two loop tilts and must get a game on the victory side of the ledger to stay in the running for a good position in the final standing.

Texas Mines, coached by aggressive and fiery Jack Curtice, will be out to stop the Buffaloes and write the victory into their own sports book. The Orange and White clad Muckers dropped their opening game of the season to the Drake Bulldogs 7-2 and their conference game Saturday with the University of Arizona, 27-13. They, too, will have blood in their eyes.

The Buffaloes will be facing strategy prepared by three men who at one time trampled the grass of Buffalo Field themselves. They are Jack Curtice, head coach; Ben Collins, backfield coach; and "Red" Jones, line coach. It is sure to be an interesting fray to watch when these two aggregations clash.

No Injuries

West Texas State should be in fair physical condition since no major injuries were reported from their 13-12 victory over the Tigers fram Colorado College last Saturday night.

When the Buffaloes trot onto the turf at Kidd Field in El Paso they will be confronted with a Texas Mines team who is well rehearsed in the use of the Notre Dame box formation. Curtice, a strong disciple of the Notre Dame box, will depend on that system to produce touchdowns for the Miners.

Advance billing from El Paso way gives special attention to backs Fred Wendt, Ed Smith and Alex Carameros. Other backs who will probably see plenty of action are snaky-hipped triple - threat Bill Bridler and Raymond (Sugar) Evans, 206-pound line-ripping fullback. Albert Salens, sensational freshman passer, is nursing a sprained back and may not see too much action.

As for the Miners' forward wall, the Buffs will probably have to contend with Big Freddie Salem and Jim Fager at ends, and 210- and 230-pound tackles in the form of Al Schiemenz and Jake Rhoads.

Ernest Keily, El Paso All-District man and Joe Valencia will probably start at the guard slots with Coley Huffman, a 235-pound hustler from Clarendon starting at center.

Miss Erdman Addresses Amarillo PTA Groups

Miss Loula Grace Erdman, English instructor, spoke recently to the first meetings of both the Wilson and Margaret Wills Parent Teachers Association of Amarillo on the "Adequate Child."

Signifying the aims toward which the organizations will contend,, Miss Erdman's talks will sound a keynote of their policy throughout the year.

Letter Reports Better Health for Dr. Cook

Dr. Harris M. Cook, former dean of men who is on leave of absence, is reported to be improving according to a letter received from Mrs. Cook. Dr. Cook became ill in February.

He is receiving treatments from the Veteran's Hospital in Biloxi, Mississippi, where the Cooks moved during August.

NICHOLS MEMORIAL CO.

Locate in Amarillo at 205 E. 36th. Phone 26249.

One of the best equipped shops in this section of Texas. Under the able and efficient management of Mr. Nichols. Everything from head stones to the most elaborate memorial. All the latest and best equipment.

This is one of the best regulated institutions in this section. When they first established their business from then until the present time it has been known as the best place to buy monuments or markings of any kind, gaining a well merited reputation for service and reliability.

Here will be found a large selection of finished work ready to letter, to make your selection from, at bottom prices. This firm does their own work, selects the best grade of stock and has one of the best equipped shops in this section of the state. Their plant is well equipped with the latest inventions for producing work of this kind in the best and most economical manner, enabling them to finish and handle the products at the minimum expense. Lettering and carving are produced by the latest method, which leaves the edges perfectly true without stums or flaws from cutting, and which produces letters of an artistic merit not heretofore attained.

The manager is a man of practical experience in his chosen lines with years of experience. All work is done under his personal supervision, thereby giving the best in this line at reasonable prices. The charges are always right, no matter if you get their prices before or after they render their service. You will not be taken advantage of.

When you want a monument or a marker of any kind, it will pay you to drop a card to the Nichols Memorial Co. and they will be pleased to take the matter up with you. In this edition we are pleased to call our readers' attention to this progressive business firm and their up-to-date establishment. An Authorized Dealer for Georgia Marble. ADV.

SPRADLING FOOD STORE

Located in Amarillo at 721 Pierce. Phone 6813.

Mr. G. E. Spradling, Owner.

Here is your local market with the interest of your home and country at heart. Fair and straightforward in their business dealings, it is not strange that they have reached such a success.

To be able to and make certain of getting the best of fresh meat is a great boon to any city. At this market you will find the salespeople have the ability of giving you exactly what you wish and a large or small order receives the same courteous treatment. The management of this store sees that quality is high and that you receive always the choicest of everything.

At this well known market you are assured of receiving the highest standard of quality groceries. The matter of price has also received attention here for it has become a well established fact not only in the city but in the surrounding territory that the quotations of this store are always as low as is consistent with sound business. They permit no one to offer greater value, just as they permit no one to offer higher quality and this happy combination has resulted in a large and ever increasing business.

In making this review of the business of this section and noting the spirit of the times, we see that the management of this store is in the hands of a competent business man. ADV.

Killian Blacksmith & Welding Shop

Located in Amarillo at 1002 E. 10th. Phone 29186.

This is the most complete and efficient shop in this section and enjoys a large patronage on account of the fact that they turn out work of high class, get it done when promised and that their charges are reasonable.

The proprietor realized when starting in business that it was necessary to equip the place in the most complete modern style and have installed the latest of scientific equipment.

In charge are craftsmen of unusual skill and ability and the work has the commendation of everyone. No matter what may be broken, you should take it to them and they will tell you what can be done. If for any reason it cannot be repaired or is not worth the cost of repair they will tell you. They are experts at helping develop experimental plans and inventions.

In arranging for your fall work if you find any blacksmith and welding take it to them and you will find they can repair it quickly and at a reasonable price.

In this establishment will be found the latest equipment and the most expert men, for this firm doing blacksmithing and welding work in this part of the country. Many farmers of this community make it headquarters for all work of this nature. It is known throughout the whole country for the efficiency and promptness of its service. You will find it to your distinct advantage to transact business with them. ADV.

GIBSON GARAGE & BODY SHOP

Located in Amarillo at New Location 1400 W. 3rd. Phone 21967

Expert Body and Fender Work and Motor Repair or Overhaul.

Mr. Weldon Gibson, owner says they fix your car no matter what the trouble.

They feature a complete automobile service, making their establishment "The Repair Shop of Good Service" in this section of the state.

One of the centers of activity that is visited by autoists from this section of the country is this very popular garage, which by reason of its very accommodating policy has won wide popularity.

This garage is conveniently located and commodious enough to look after the local patrons and the traveling public in the way of service. When they started in business they determined to furnish service to every auto owner, and there is no question but that they have succeeded.

In the repair department they have in charge able and efficient workmen and are backed by vast facilities, which enable them to rebuild, replace or repair any automobile, no matter what the trouble may be, in a most satisfactory manner.

It can readily be seen that the Gibson Garage and Body Shop is important to the automobile world of this section and adds materially to the advantages of every owner of an automobile. The fact that visitors and local patrons can get real service at this up-to-date institution instills the mind of the automobilist's confidence in the fact that all his troubles can be taken care of in a "most workmanlike manner."

We know of no better concern more fully equipped or better prepared from the point of workmanship to be able to turn out work of class, for its reasonableness of charges and for getting it done when promised than Gibson Garage and Body Shop. ADV.

GREEN LANTERN COFFEE SHOP

Located in Amarillo in the Rule Bldg. Phone 9442.

Mr. Arch Rogers, Owner

A good place to eat and a place where both local and traveling people can well satisfy their demands in the matter of obtaining good foods. The menu consists of not only the prime necessities of life, but many inviting and tempting delicacies of chicken and steak dinners are offered to satisfy the tastes of the most fastidious.

In traveling over the country you will find nothing in greater profusion than poor eating places. This is why it is indeed refreshing to find such an up-to-date establishment as this. It is unsurpassed by anything at any place in surroundings or accommodations of service. When Mr. Rogers went into business it was with the idea that a modern inn would be appreciated by the local and traveling public. That this principle was well accepted is proved by the success they have attained.

Here you will find home cooked food, wholesome and deliciously appetizing. The service is equally satisfactory whether your order is large or small and you will be made to feel that your trade is desired and appreciated by the management.

We are pleased in this review to compliment Green Lantern Coffee Shop on the high character of the establishment, which is rendering a much needed and highly appreciated service to the public. We reccommend this place to all our readers. ADV.

SMART ALEC

A young lady walked into the post office, stopped at the wicket and asked for a three-cent stamp. The clerk was not in a very good humor, and he snarled, "This is the information window; can't you read?"

The lady proceeded to the proper place, purchased her stamp, and returned, "You say this is the information window?"

"Yup."

"Well, if I mail this letter tonight, will it be in New York tomorrow?"

"Sure."

"That's funny. It's addressed to Indianapolis."

We've repeatedly told the daughter that we would like for her boy friend to be the kind of man who keeps his object in life before him at all times. Now we can't complain when he calls on her seven days a week.

Three sets of American Presidents have had the same last names. They are John Adams and John Quincy Adams; William Henry Harrison and Benjamin Harrison; Theodore Roosevelt and Franklin D. Roosevelt.

American Indians did not refer to their future state as "the happy hunting ground." Application of the term was made by early-day writers as a result of descriptions given them by hunting tribes.

Ballard's Dependable Cleaners
AND GRADY'S HATTERS

Located in Amarillo at 1217 Polk. Phone 4397.

Mr. Grady V. Nutt, Owner.

If you don't happen to be going to town, just send in your work by parcel post and it will be given the best of attention and returned promptly. Under direction of an authority on dry cleaning.

The fact that they are able to take clothing that fades or needs cleaning and turn them out to look like new, has saved many a high priced purchase and helped to lower the cost of living.

Every day brings more work from patrons who have been saved the purchase of new garments through the excellent work that this firm does in cleaning and pressing alterations of both new and old clothes. They also clean draperies, curtains, blankets, etc. They have special processes for each article.

Expert cleaning and blocking. This firm has been in the business many years and renders an excellent service to their many patrons and friends. Hats cleaned and blocked for men, equal to new. Out-of-town business solicited. With Fall now here, felt hats that look as though they have passed through their best wear, but in which the material is still good, can be made to look almost like new at this establishment and hundreds of people are availing themselves of the very excellent service offered by this concern. Everyone who tries their service is enthusiastic about it and hundreds of men keep their headgear looking "its best" by having their hats cleaned here. It's really surprising how cleaning of this popular concern so completely rejuvenates your hats, replacing grime and soil with a crisp freshness that fairly speaks. There remains no odor nor greases to catch the dirt. Send your clothes and hats to Ballard's Dependable Cleaners and Grady's Hatters for work that satisfies.. ADV.

EVERETT SMITH JEWELER

Located in Amarillo at 116 E. 5th. Phone 7180.

Doing Business at Present Location over Quarter of Century.

They only handle nationally advertised merchandise. The house of Fine Diamonds, Watches, Jewelry, Silverware, Gifts, Watch Repairing, Hand Engraving. This is one of the most complete and modern jewelry stores to be found anywhere. They are thoroughly reliable and dependable. Goods bought here are always what they are represented to be.

Here you will find an up-to-date jewelry stock, artistically displayed for the convenience of the patrons. Buffaloes Win Upset Victory Over Colorado College Eleven

The initial grid victory of the season for the West Texas State Buffaloes was registered Saturday night at Buffalo Field when the local lads fought off a savage last-half rally by Colorado College to win 13-12.

It was a rough, hotly-contested game which saw the conversion from the toe of methodical Junior Melton become the difference between defeat and victory. Every Maroon and White clad player who took the field in the game played spirited and determined football.

Leroy Reeves, snake-hipped Buff quarterback, brought the 3,500 fans to their feet in a surge of surprise in the first quarter when he pulled the old bootleg play and scooted 75 yards right down the right sidelines and scored standing up. Melton came into the game but his conversion attempt erred.

Buffs Hold

The pre-game undefeated Tigers swiftly charged back in the second period and drove the ball to the West Texas 8-yard marker where the Buffs dug their horns in and held the Colorado attack.

Reeves got off one of his beautiful kicks and sent the ball sailing 62 yards down to the Colorado 30 and the Herd held the white-clad Coloradoans until the half-time whistle.

Billy Greenfield, playing brilliant ball at fullback, recovered a Colorado fumble early in the third period and the Canyon crew pushed to the one-yard stripe before being halted.

Colorado was forced to punt and West Texas returned to the visitors 30 where Greenfield fought his way down inside the ten. After two plays failed, Reeves flipped a pass to Johnson who went over standing up. Melton came in to convert and came through with what wound up being the deciding point.

Tigers Score

Coach Hal White's Tigers stormed back later in the third period and blocked Dawson Little's punt and recovered on the Buff 20. On the first play, Goers scampered for a touch down but John Steele's kick for point was wide. Score: West Texas 13, Colorado College 6.

Again in the fourth quarter the Buffaloes forced their way down inside the Colorado ten only to have a pass intercepted and run back to the Tigers' 25. From there the Mountain Men slashed their way to the West Texas 5 where Goers carried the ball over for another tally.

All the Buffaloes swarmed in to block the Colorado attempt to tie the game.

Colorado outplayed the Buffaloes during the remainder of the game but Johnson put an end to their threats by intercepting a pass in the closing seconds of the game.

A great amount of penalty yardage was assessed against the two teams. West Texas drew 105 yards and Colorado 90 from infractions.

Wayside Items

Rev. George Stewart has resigned as pastor of the Baptist church at Wayside on account of ill health. We hope to hear of an improvement in his health in the near future.

Mr. and Mrs. J. S. Sluder and daughter, Evelyn, of Happy were Wayside visitors Sunday afternoon.

Wayne Sluder and Glen Franklin motored to Dayton, Ohio, the latter part of last week.

The John Stockett family attended a family reunion in Amarillo at the parental J. M. Malone home Sunday.

Mr. and Mrs. Melton McGehee have the foundation laid for their new modern brick veneer home south of the M. L. McGehee house.

The Guy Watson family are enjoying a new electric refrigerator.

Bill Stockett is having an irrigation well put down on his home place.

Mr. and Mrs. Grady Kennedy have purchased a nice little home on 3rd Street in Canyon.

Mrs. E. A. Franklin is visiting a few days with her daughter, Mrs. J. S. Sluder and family.

Mrs. Wyatt Heisler has been visiting relatives in Tulsa, Okla.

Mrs. Maggie Culwell is having a house moved to Canyon.

The Roy Franklin family of near Canyon were callers in the W. R. Franklin home Sunday.

Scientists maintain that the right side of a person's body is slightly heavier than the left side.

PANHANDLE LIVESTOCK COMMISSION COMPANY

Located in Amarillo at N. Grand. Phone 29244.

Mr. Charley Ford, Manager. They hold a Big Auction Sale Every Thursday, Starting at 12:00 Noon.

There isn't a question but that this popular establishment is an important factor in the commercial life as it is one of the largest livestock firms in these parts. The management is very liberal in dealings with the public and attracts shipments for many miles around.

They are well known as one of the best livestock firms in this part of the country, men who know the cattle business and are regarded for their fair dealings. The farmers have come to know that they can get from them the highest price that the market will permit in livestock of all kinds, hence they seek no further market. They have a reputation far and wide as businessmen of experience and straight forward methods and it is not surprising that the volume of business is ever increasing.

This is truly a wonderful showing and one that evidences the fact that Panhandle Livestock Commission Company have merited the enviable reputation that they have attained. purchase of new garments through reliable and the assistants are men with whom it is a pleasure to transact business. They treat all customers alike, doing as they would be done by. and this all means that once a patron of this establishment you are always a patron.

The livestock industry is the leading industry of the farmer and this is chiefly due to the fact that the market for this class of stock is always available. It has not been so many years ago, and is within the memory of men now living when the livestock markets were very scattered and the farmers raised stock for their own consumption and only sold the surplus of their herds.

They are cleancut, affable and courteous business men and accommodating to a marked degree. We are pleased in this edition to direct your attention to this establishment as a distinctive feature of the commercial and industrial efficiency of this country. ADV.

Baketball Interests Girls as New Sport

Aaron Coaches Future Team

"Oh, my aching back!" "Do your arms and legs ache?" "Golly, I am sore." Yes, you 'guessed it! Girls' basketball has started at Canyon High School for the first time in about six years.

Miss Grace Aaron, girls' physical education teacher, is coaching the girls. Practice started Monday, October 7, and continues every evening from three-thirty until five. Approximately twenty girls practice every afternoon.

No games have been scheduled as yet and positions have not been designated.

Practice consists so far of learning fundamental rules, passes, shots and the general business of basketball. It will continue for several weeks before a game is scheduled but the girls have high hopes for the future.

Ticket Sales Net $176.40 Total

Student Faculty Congress members and some other students sold one hundred and seventy-six dollars worth of season tickets to the rest of the Eagles' home games. The tickets were $2.10 each.

Mr. Wooten said, "The money will be used to buy new equipment which is sorely needed by the football boys."

Donnell Ruthart was the highest salesman.

Other members of SFC who sold tickets Thursday and Friday are: Guy Brant, Betty Miller, Geraldine Small, Nancy Nicklaus, Ridings Sloan, Thelma Bonds, Joanna Haines, Mary Ruth Hill, Bobby Ford, Janie Forester, Ruth Lill, and Suzanne Stephenson.

THANKS, FOLKS

We, the students and especially the football squad, want to thank you for your generosity in securing new football suits for our team.

The team has been needing this equipment for a long time and we hope that most of you saw them in their new suits when they defeated Tulia.

We can only say "thanks a million" again and we would like to have you come over to Friona, Friday, to see our next conference game. By V. H.

New Publication Is "The Talon" Series

Grade School is publishing a new, little sister to old Eagle's Tale by the name of "The Talon." The paper a bi-monthly edition, is an English project, and made its initial appearance October 11.

Mrs. A. K. Goodman, instructor of the group, is editor--in-chief and each student is a reporter.

Since they are only beginning, they cannot be held too closely to journalistic rules, but give special attention to content, correct spelling, capitalization, and sentence structure.

One of the stories from the paper is listed.

Red Cross

By Diane Prichard and Johnnette Weeks.

We have a Red Cross bank in our room. The children brought two cents, some brought more. Most of the children earned the money by doing things for their mothers and fathers. We are going to do things with it for the children across the sea. The children upstairs sent boxes of things to those children.

Whiskey has wrecked more homes than water has wrecked ships.

Classes Indicate Girls For Race

Booth Selection Will Give Competition for Events

Holding the spotlight in school activities is the election of Carnival Queen candidates in class meetings, Monday.

Seniors selected Louise Blewett as their representative who chose Wilbert Long as her escort. A Bingo booth will be their contribution to the Carnival. Room parents are Mr. and Mrs. Bud Hickman, Mr. and Mrs. R. R. Rigsby, Mr. and Mrs. B. B. Browning, Mr. and Mrs. J. A. Guthrie, and Mr. and Mrs. Jim Boyd.

Juniors to Sell Magazines

The Junior class meeting was devoted to instructions and discussion on selling magazines to raise money for the Junior-Senior Banquet. The class will nominate its queen candidate and select its booth at a later date.

Verna Davenport will represent the sophomores as their candidate. They are to have a Night Club booth. Escort is to be chosen.

Ava Dooley is the freshman's choice for Queen candidate. She has not selected her escort. Their class dues are to be 50 cents and the following room mothers have been chosen: Mrs. L. D. Winn, Mrs. Ross Craig, Mrs. B. A. Burrus, Mrs. G. M. Abbott, Mrs. Robert W. Jones, Mrs. Travis Payne, Mrs. Gene Root, Mrs. Carl Hair, Mrs. S. O. O'Donald.

Grades Choose Candidates

Eighth graders elected Barbara McDougal as Queen candidate, and Shirley Erwin will be seventh grade choice for Queen. Both girls will name escorts later.

Bible, Hales Named District Officers

At a meting of the FFA, Friday, October 11, members elected James Bible, district reporter, and Jones Hales, district parliamentarian.

A committee of three: Mr. Devin, Mr. Sanders, and Mr. Wooten are to appoint three boys to go to the American Royal Livestock Show, and the National FFA Convention at Kansas City, October 21-25.

The FFA will pay half of the expenses.

Future farmers of Canyon were adjudged the best group of exhibitors in junior livestock at the Texas State Fair at Dallas. They made a clean sweep of the honors of the dairy Holstein division.

Richmond Hales former CHS student, won two first places and Jones Hales, junior also won first place award.

Benny Mack Abbott won first place with a Holstein dairy calf entry.

Members Observe FHA Club Week

"Now, therefore, I, Coke Stevenson, Governor of Texas, do hereby set aside the week of October 20-26, 1946, as Future Homemakers of Texas Week."

In his proclamation, it shows the Future Homemakers of America is one of the 17 youth organizations which make up "Youth United for Famine Relief," which help to save food for humanity and help the starving people. These members through their organizations are sending gifts once a year to needy children in other countries to celebrate the World's Christmas Festival.

Some of the activities being done by different chapters over the state for the week are as follows: church services, chapels or assembly programs at school, club meetings, caravans, chapter meetings, membership drives, parties, camp fund, newspaper stories, and radio broadcasts.

A scientist maintains that it isn't the eyes that reveal one's thoughts, but the lower part of the face. Meaning the mouth, of course.

Eagle Fears Dalhart Leers

PTA Emphasizes Plans for Work

With renewed effort, Canyon Public School PTA is making an all-out drive for a record breaking membership.

"Not that we are especially interested in members," stated Mrs. E. J. Cundiff, membership chairman, "but we do want every parent to work more closely with the teachers to promote greater progress for each child."

Both parents are not only asked to join but to attend regularly.

Yearbooks are ready for distribution which outline programs of the year's work, the first number, an address, "Laying the Cornerstone for Education," will be given by Superintendent E. A. Wooten.

The PTA endeavors to furnish the school equipment which state and federal funds do not supply.

"Some of the very valuable assets supplied within the last few years are: library books, movie camera, record player and records for music appreciation classes, motion picture machine for visual education, stage furniture and pianos," says Mrs. Cundiff.

Roses are red
Violets are blue
Oh! Gooch and Burrus
We love you.

Disposed er uh composed that is, and dictated er dedicated that is by twelve hungry, worn-out slaves to the press (Journalism students) and their delapidated sponsor—to two thoughtful people Mrs. T. C. Gooch and Harley Burrus who sustained them in an hour of trial (7 p. m. Monday night) with food—namely cheese sandwiches, pickles, potato chips, candy, and apples.

Thanks!

Review Provides Revealing Facts

Westminster Abbey! What an historical place! so taught Mrs. Mary Weeks, social science instructor of junior high, in last Wednesday.

She spent about half of the history period explaining to section 7-2 about the magnificence of the building, and about the fact that only the illustrious dead were buried there.

When the class met next day, Mrs. Weeks, wishing to give a review question to see how deeply impressed the students had been with the lesson the day before asked, "What is the name of the place where England buries her great men who die?"

A fat hand was quickly raised. The owner of the hand, Dan Brazil, encouraged to answer, replied boldly, "The grave yard."

Grade Notes

Anna Marie Barker and Florence Hacker, of Mrs. Goodman's third grade, went to the State Fair in Dallas last week. Monday in language class they told of their trip.

Annette Myers missed all last week because of illness.

Mrs. Roscoe Davis' second grade had a water dog on exhibit last week. It was brought by Sandra Michael.

Betty Burrus, of Mrs. Cousins' fourth grade, underwent an appendectomy Sunday night in Neblett hospital.

The children in Mrs. Cousins' room have a number of interesting cocoons on exhibit. They also began their course in Spanish this week.

As they have been studying Indians, 5-J has started an Indian museum in their room. In the collection they have jewelry, rugs, baskets, pottery, and bead work.

Highlighting the events of the week for 5-W was the election of officers. They are as follows: president, Nancy Bolton; vice-president, Cloyd Adams; secretary, Norman Tucek; fire-captains, Arlen Ruthart and Norman Tucek.

Billy Graham has gone to Boulder, Colorado, to visit her sister who is going to school there.

The final directions and dummy-materials for the 1946-47 annual are here. The annual staff expects to be ready to send the first of materials in as soon as the pictures have been taken and hope to have the last in by Christmas.

Every time we spin a yarn the wife knits her brows.

Canyon Eagles Outplay Tulia Honets 20-14

Waal, I reckon as how everybody is in a real chipper mood this hyar week on account of our CHS Eagles a 'beatin' them Tuyler Hornets. Shucks, I knowed we could do it all the time, but nevertheless, I'm shore glad it's done over with.

At that there sensational ball game, I seed two couples what surprised me a mite. 'Twas Martha Wilson and that Rigsby boy (I believe his name is John or James, can't recollect just which), and Jean Hill and Harold Jay Prichard. They shore looked cozy in spite of that cold wind a 'howlin' over the countryside.

And I want to give three cheers for James Bible! You know that pore boy gits hurt more in football than any person, I know. But he's always rarin' to get back in there in a few minutes. Can't keep a good man down, I allus says.

Saturday night at the Buff game, who should be together but Clifford Burtz and Pam McDonald. S'prised everybody but me, and I ain't surprised at nuthin'. They looked sorta cute together, too, sorta. After the game, Rusty Davis was with J. F., guess who!

That purty lil Billie Bonds was with Curtis Lehnick, Friday night, and Jack Ratjen the next night. Ruby Lee Bonds and Dick Ratjen wuz also coupled up Saturday night. From what I heard, Ruby Lee wuz very pleased with the set-up. Waal, you never kin tell about these things.

Howdy, Sue! That there's Sue Gillispie, a lil fat gal who went to school here last year, and she tells me she reads my column every week. She's been a 'wantin' her name in here, and I figgered I could oblige a ex-student from CHS like her, so I did.

I heard tell that Bruce Winn has a date with Barbara McDougal fer Hallowe'en night. Them freshman boys shore believe in long dates.

Oh, yeah! I knowd there wuz somethin' else. Don Hickman and Bobby Ford are two names linked together lately. Is there anythin' in it young 'uns?

I seen A. G. Craig a 'escortin' Joanna Haines tuther night. Seemed to be enjoyin' it, too.

Who were that good-lookin' feller what escorted Miss Bowman to school Monday morning? Shore would like to know. . . .

I seed Pauline Seales drivin' one of them motorcycle critters down the street Sunday afternoon. The feller behind her was holdin' on fer dear life, and I ain't slamin' Pauline's drivin' when I say I can't blame him.

This is kinda late, but nevertheless . . . it seems that Fritzie Hogge and W. T.'s Clarence Maynard had a rip snortin' good time at the wienie roast tuther nite.

Senior Personality

Robert Fisher, this week's Senior personality is formerly from Stix. He stands 5'10" in his stocking feet, and his stocking feet wear size 10½ shoes.

Bob has brown hair, brown eyes, and likes browned steak, his favorite food.

He has admired Shirley Temple all his seventeen years but right now his favorite subject is journalism.

Unable to attend school this week is Mrs. B. F. Bartlett, who is suffering from an abcessed tooth. Mrs. T. L. Devin will substitute as librarian until Mrs. Bartlett is able to return.

Veterans Donate Fund For Suits

Businessmen Also Make Contribution for Boys

New football suits, arriving in time for the Eagles game with the Tulia Hornets, Friday night, possibly inspired the squad to victory.

Veterans of Foreign Wars, directby Roland Black, commander, initiated the drive for raising the money for the football equipment.

Coach Wheelock and other school officials bought thirty jerseys and twenty-seven pairs of pants for the squad.

V. F. W. members contributing are: Billy Black, Raymond Doss, Marshall Rockwell, Frank Daray, R. T. Ziegler, R. W. Cabe, Charles R. Moats, Gerald R. Warwick, W. B. Colwell, D. A. Prichard, Tony Rossi, Leroy L. Wooten, George F. Black, and Roland Black.

Businessmen contributing are: Coopers Market, Southwestern Public Service Company, W. J. Wooten, O. D. Mosley, Paul Lindsey, Sternenberg Lumber Company, Myers Farm Equipment, W. C. Black, Carl's Cafe, F. A. Pierce, Tommie Pirece, Palace Cafe, Thompson Hardware Company, Hosea Foster, Buddy Taylor, G. I. Taylor, Leslie Key, Canyon Drug, Cris Wooten, Joe Baber, Cheathams, Evelyn Beauty Shop, Randall County Abstract Company, Worth and Jack Jennings, Cole and Davis Insurance Company, J. D. Barker, Kenneth Vaughan, Sam Hill, E. I. Boyce, Charles Donnell, D. E. Lowes and Dan Sanders.

Assembly Brings Three Features

Picking up sticks!

Can such a hobby be interesting? It can and is.

Edward L. Jeanbly, collector of canes and sticks, appeared in a lyceum number last Wednesday in the Canyon High School auditorium to show and tell about some of his collection. During his eight years of traveling over the world he has gathered some eight hundred sticks.

In the second part of the assembly, Dr. Roy L. Johnson introduced his evangelist, Rev. Robert C. Fling, who is conducting a two weeks revival in the First Baptist Church of Canyon.

To complete the assembly program, Superintendent Wooten presented special award letters to journalism students, for doing a certain standard of work during the past two years. 1945-46 club member eligibles were as follows: Joan Morton, Valeta Haines, Frances Gooch, Betty Ann Miller, Louise Tucek, Louise Dickenson, and Ruth Prichard.

Pleasant Joe 4-H Club Meets Tuesday In Regular Session

Pleasant Joe 4-H Club members will meet in CHS on October 15. Those participating in this club are: Laverne Hinders, Earline Davis, Mary Alice Bauer, June Jennings, Delores Dietz, Janie Jennings, Wanelle Montgomery, Ruby Lee Bonds, Peggy Bonds, Johnnie Faye Bonds, and the sponsor, Mrs. Roy Montgomery.

COACH R. D. WHEELOCK

By Guy Brant

The students of Canyon High School wish to thank Earl Burtz, Clay Cooper, and Carl Hair for the "feed" which they gave after the victory over Tulia Hornets Friday night. Since Earl Burtz furnished the steak, Clay Cooper donated the potatoes, and Carl Hair added the bread, milk and prepared the whole meal, we feel very grateful and would like to show our appreciation.

Canyon High School sincerely appreciates the support given them this year. The crowd at the Canyon-Tulia game was the largest this year and they were wonderfully enthusiastic.

Thanks to Barbara McDougal, Donnell Ruthart and Bobby Ford for decorating the goal posts Friday.

The hardest game the Eagles have to play besides the Hereford game is that of Dalhart. This game is a deciding one and the Wolves are a strong team. They proved strong competition for Hereford last week when the Whitefaces defeated the Wolves only 19-6.

Everyone's support is really neededneeded at this game. You say, aren't you a little bit ahead of time. Sure but the longer you have to think about it the surer you are to go and give your all-out support.

Juniors Initiate Magazine Sales

"Publications! Magazine sales. . . .

"Please, sir buy a magazine and help our class.

"We, the juniors of Canyon High, are now and for a week to come, will be selling magazines published by the Curtis Company to raise money for our Junior-Senior banquet."

"Right—the publications sale is on once again and we need your support. New subscriptions and renewals can be secured from any junior for the next two weeks."

Max Bellah is captain of the Blues and Valeta Haines is captain of the Reds. The class is divided into two sides to furnish competition for the project.

CHS Eleven Tilt Friona For Win

Bailey Pulls Out Hornet's Stinger—Intercepts Pass

A hard-fighting Canyon team edged the Tulia Hornets, long-time rivals, 20-14 Friday night at Buffalo Stadium.

Before 1,100 football-hungry fans, the Hornets kicked off with Gerald McDuff receiving for the Eagles on the 20-yard line advancing to the 30. Lee Bailey carried the ball on Canyon's first two plays making a first down. Charles Wright then took over and with Richard Walters calling signals he scampered for three first downs.

Bailey carried to the six inch line and Wright bulled his way over for the marker. Bailey zoomed around end for the extra point and the score stood 7-0 before Tulia even got their hands on the ball.

Line Holds

A fast, hard-charging line stopped Tulia on their 4-yard line after the kick by Wright. The Canyon line out-rushed them once more to set them back to the 2½. Tulia kicked out to the 40-yard line where Bailey took it in and slithered 15 yards. After a penalty on Tulia, Wright galloped to the 6-inch line and on the next play he rushed into the end zone. On a pass from Wright, Guthrie caught and made the extra point. The score 14-0 and the quarter ended.

Both teams were held on downs and Canyon was forced to kick. Starting on the 40-yard line Tulia used a passing and running attack as they marched down the field and scored. Their conversion attempt was good and the scoreboard showed 14-7.

Canyon retaliated from the Hornet scoring attack to repeat the process with Wright scoring and attempting the conversion which was missed. The score was 20-7 as the half ended.

Wright Kicks Off

Wright made the kickoff which Tulia returned to the 10-yard line and in a series of plays Tulia scored again. The conversion was good making the score 20-14.

After the kick Canyon made a total of 40 yards before a pass was intercepted by a Hornet who ran 60 yards to score but the play was called back. Tulia kicked to our 30 as the third quarter ended.

During the fourth quarter both teams see-sawed up and down the field with Bailey almost getting away on a pass interception. The final score was 20-14.

Next week the Eagles journey to Friona to play the Chiefs who have been beaten twice in conference play.

Science Department Receives Seoscope for Biology Class

Canyon High School's science department has just received a new seoscope from the Universal Seoscope Company.

This new machine will enable all the biology students to see all the slides, pressed material, many living things such as wings of insects, leaves and circulatory system of animals.

They will be produced on a larger scale so that more students can see them. Images can also be thrown on the wall.

Mrs. Glenn Dowlen, music teacher, was away October 10, 11, on a business trip to San Antonio.

AMARILLO FRUIT MARKET

Located in Amarillo at 103 S. Fillmore. Phone 29185.

Mr. F. S. Doerfler, Owner, says if its a Square Deal you Want and First Class Fresh Fruits and Vegetables, Come to the Amarillo Fruit Market.

This popular market carries the finest line of fresh fruits and vegetables to be found in this section. You will be pleased with their quality goods as well as their moderate prices, prompt and efficient and courteous service.

One of the most modern services is offered by this modern fruit and vegetable market. They conduct a clean and attractive place where housewives like to make their selections for the table.

The people of this community are very fortunate to have such a progressive firm furnishing them with this line of fresh fruit. They offer metropolitan service of high order and few communities of this size can boast of such a valued market.

They are a valuable asset to the community and aid to a marked degree in its commercial progress and prosperity. They are utterly reliable and dependable. The manager has had years of experience in the retail produce, fruit and Meat Market business and knows this line from A to Z.

As a result the service of this popular firm has reached a high state of efficiency and in this review we wish to compliment them.—ADV.

FRED W. HINDS JEWELER

Located in Amarillo at 123 E. 5th. Phone 7406.

This modern jewelry store has one of the finest lines of jewelry ever presented to the people in this part of the state. A store that features "Quality Value and Variety," and has a large custom that extends for many miles from Amarillo.

Every one does not appreciate the value to a city of having a strictly modern and up-to-date jewelry store which carries a complete stock at all times.

Since the time this well known store first opened to the people the local public has taken it as a matter of course. To be able to get what you want in this line, to know that no matter what the occasion may demand in this respect you can always get it at this establishment, which is a feature of the commercial efficiency of the community which makes it more attractive.

This store gives particular attention to this feature of the trade and can furnish you on short notice with selections which will not only be in good taste, but will retain its beauty and usefulness for years.

To think of selecting your purchases without looking over their stock is out of the question. They are priced very reasonable and bear the mark of excellent workmanship.

We wish to compliment them upon the high standard of efficiency they obtain in their establishment, the superior quality of merchandise they handle and the admirable manner in which this firm is operated.

Their watch repair and special jewelry designing departments are handled by specialists and everything this store handles is guaranteed. ADV.

Amarillo Livestock Auction Co.

Located in Amarillo at East of City. Phone 24329.

Messrs. Taylor and Johnson, Business Associates, together with their Well Trained, Pleasant and Very Capable Army of Help, Make your Business Dealings here a Pleasure.

They have recently started a Stocker and Feeder Sale on every Friday. The sales start promptly at 12:00 o'clock noon. Also on Fridays only they sell or buy Car and Truck Loads. The success of these sales are evidenced by the fact that the first sale sold 1500 head, the second sale sold 2100 head, the last Friday, October 4th sale sold 3100 head of Stockers and Feeders. These sales will continue every Friday, hereafter and will afford stockmen a good opportunity to either buy or sell this class of Cattle. The Monday and Tuesday Sales remain unchanged. Last year we sold 142,000 head of Cattle, that figure has already been reached this year with 3 months to go. You can see this is a Reliable and Growing Business firm. Consult us if you have Cattle for sale or if you are in the Market to buy Cattle Call 24329.

One of the foremost examples of the agricultural and commercial efficiency of the state is this firm, headed by Messrs. Taylor and Johnson, a firm perhaps more widely known to Texas farmers than any other concern of this nature in this state. The popularity of the sales conducted is evidenced by the large crowds that attend and the distance a great number of farmers come to purchase cattle. The management is very liberal in its dealings with the public and attracts shipments from the country for many miles around.

The record of this company is truly commendable and is an evidence of the well placed confidence of so many farmers and raisers of livestock. They treat all customers honorably and alike, doing as they would be done by, and this means that once a patron of this establishment, you are always a patron there. They are cleancut, affable and courteous business men and accommodating to a marked degree.

We are pleased in this edition to direct your attention to this establishment as a distinctive feature of the commercial and industrial efficiency of this country and to the management as among the leading business men and most valued citizens of the community, who materially assist in making this country more progressive and more attractive from a commercial and business standpoint. ADV.

C. C. SEARCY SERVICE STATION

Located in Amarillo at 3421 W. 6th. Phone 5964.

Skelly Products, Tires, Tubes and Batteries. Motor Tune-up, Wash and Lubrication. One-Stop Service.

Featuring the best washing job in town. Under the direction of the community's leading automobile washer and greaser, who has had a wide experience in this line, and is considered an expert so that when a car is turned out from this establishment it runs just as though new. This is the most progressive and an accommodating business firm that renders the best of service to the many patrons throughout all of the surrounding territory.

You can drive your car in this station where they will grease it in every detail, incuding car washing. This is a class of service that is valuable to keep your car in good condition. When they have finished their work the owner of the machine is satisfied both with the quality of the work done and the price charged.

The manager of this place insists that the very best attention be given to every patron and as a consequence people from every part of the compass are praising the excellent service of this popular establishment.

In making this review on the onward progress we are pleased to compliment this institution upon the vary satisfactory service it is giving to the motoring public and the wide popularity this establishment has attained in this section of Texas. ADV.

Truax Tells Plans For Music Groups

Glenn A. Truax, director of college orchestra, string classes and A Cappella choir, has announced a schedule for meetings of groups under his instructorship:

Orchestra rehearsal will be held each Thursday evening at 7:30 in the college auditorium; beginning string class will convene at 3:30 each Monday, Wednesday and Friday; and the choir will meet every day at 5:30 except Saturday in Room 101.

"String players who live in Canyon are welcome to come to orchestra rehearsal," says Mr. Truax, "for we have arranged so that townpeople may join the organization."

Offered to college students without any extra charge, the beginning string class gives college credit if the individual program permits. For students who play but do not own instruments, the college has cellos, basses and violas.

"West Texas State needs to have a larger orchestra and this seems to be the year to start working toward that goal," Mr. Truax acclaims.

Prerequisite to membership in the A Cappella choir is work with either the men's or women's chorus.

Urge Adoption of Amendment For Benefit of Roads

The Texas Farm Bureau Federation today announced adoption of a resolution supporting the Good Roads Constitutional Amendment to be voted upon in the November 5th election.

"Our organization is in full accord with the amendment," J. Walter Hammond, president, declared. "Farm-to-market roads are uppermost in the minds of rural people and the Good Roads Amendment is our assurance of obtaining greatly needed improvements."

Continuing, Hammond said, "We are in dire need of better facilities for all weather roads which will benefit rural mail and school bus routes as well."

The Texas Farm Bureau Federation is one of thirty state organizations which have already pledged ardent support of the Good Roads Amendment. The amendment, last of three to appear on the November 5 ballot, assures the availability of gasoline taxes and motor vehicle registration fees for road purposes, with the exception that one of every four cents paid in gas taxes will continue to be allocated to the Available Free School Fund.

Notice of Intention to Levy Special Assessment Tax Against Abutting Property Owners for Purposes of Paving, Curb, and Gutter, and Designation of Hearing Thereon.

Notice is here and now given to all those owning or claiming property, or any interest therein, which may be abutting property to those streets as specified herein, which are proposed to be improved by paving, curb and gutter; that a time and place for hearing is here and now set to afford such property owners and the public to be heard on any matter pertaining to the validity of a paving, and curb, and gutter assessment; all such owners and claimants of such abutting property shall at such time, and place herein designated be given the right:

1. To be heard on any matter as to which a hearing is a prerequisite to the validity of an assessment.

2. To contest the amounts of the proposed assessments, the lien and liability thereof, the special benefits of the abutting property and owners thereof by means of the improvements for which assessments are to be levied.

3. To contest the accuracy, sufficiency, regularity and validity of these proceedings, former proceedings, and proposed future proceedings, and contract in connection with the improvements.

The time for the hearing is 7:30 P. M. on the 25th day of October 1946, and from time to time thereafter, and day to day thereafter, as may be needed and necessary for a full and final hearing, and a full and final determination by the City Commission of the City of Canyon, Texas. The place of the hearing is the City Commission Room, and being the Council Room of the City Hall of Canyon in Randall County, Texas, Heretofore, notices were duly advertised, calling for a bond election by advertisement in The Canyon News, a newspaper of general circulation, published in Canyon, Texas, by publication for three times, namely:

May 16th, 1946
May 23rd, 1946
May 30th, 1946

and said bond election was duly had and held as called for, on June 1st, 1946. Pursuant thereto, the results of said election reflected that said bond issue carried, and said bonds were issued and sold as provided for in said bond election for street improvements, and the money therefor was deposited in a special account for the purposes of improving the streets of Canyon, Texas, by paving, curb and gutter. Following the sale of such bonds, the City Commission of the City of Canyon, Texas, requested Harvey W. Schmidt, a Consulting Engineer of Amarillo, Texas, to make specific the plans and specifications and types of needed street improvements to accord with the findings of the City Commission of Canyon, Texas. Reference was made to such specific findings, plans, and specifications, in that public notice published in The Canyon News on July 18th, 1946, and July 25th, 1946, calling for and advertising for bids to be submitted and opened on August 8th, 1946. Pursuant to such request and advertisement for bids for constructing and making street improvements as particularly specified, the low bidder was the partnership known as Bell & Braden of Amarillo, Texas. The contract therefor, the specifications above mentioned, and all other proceedings, are on file at the City Hall, and in the possession of the City Secretary for the inspection of all interested persons.

The nature of the improvements for which special paving assessments are proposed to be levied, is for paving, curb and gutter. The highways and portions thereof to be improved by such paving, curb and gutter, or streets and avenues within the City Limits of Canyon in Randall County, Texas, towit:

8th Avenue from 8th Street to 23rd Street, estimated cost $35,835.76.

6th Avenue from 23rd Street to 25th Street, estimated cost $6,034.30.

5th Avenue from 23rd Street to 26th Street, estimated cost $10,748.24.

2nd Avenue from 20th Street to 23, Street, estimated cost $6,212.79.

8th Street from 8th Avenue to 7th Avenue, and 8th Street from 5th Avenue to 3rd Avenue, estimated cost $8,157.28.

15th Street from 8th Avenue to 7th Avenue, estimated cost $2,189.28.

16th Street from 8th Avenue to 7th Avenue, estimated cost $2,189.28.

16th Street from 3rd Avenue to 2nd Avenue, estimated cost $2,064.52.

19th Street from 8th Avenue to 7th Avenue, and 19th Street from 3rd Avenue to 2nd Avenue, estimated cost $3,757.37.

20th Street from 3rd Avenue to 2nd Avenue, estimated cost $2,064.52.

21st Street from 3rd Avenue to 2nd Avenue, estimated cost $1,218.81.

24th Street from 7th Avenue to 5th Avenue, estimated cost $3,749.96.

26th Street from 5th Avenue to 4th Avenue, estimated cost $1,874.99.

The estimated amount per front foot proposed to be assessed against the property owner and as against the property which abuts the above mentioned streets, avenues, and highhighways in the sum of $3.00 per front foot, and being $3.00 per lineal foot. This assessment proposed is for one-fourth thereof payable on completion and acceptance of such work by the Engineer and the City Commission of the City of Canyon, Texas, and the rest in three equal annual payments of principal in 1, 2, and 3 years from such date of completion and acceptance, together with interest not to exceed 8% together with provisions for foreclosure, for reasonable attorneys fees and costs. Paving certificates are proposed to be issued with coupon bonds attached thereto which are negotiable. This assessment proposed is one as against the property owner personally and against the abutting property as well, and as a first lien against such abutting property.

The estimated total cost of the street improvement for paving, curb and gutter aforementioned is the sum of $86,097.10, of which the total estimated cost to be borne by abutting property owners is at least two-thirds of such amount, and not to exceed three-fourths of such amount, and it is the present intention to make the levy on a basis of one-third of the total cost of street improvement to abutting property owner on one side of each street or avenue and one-third of which total cost to be levied against the abutting property owner on the other side of each street and avenue, and one-third thereof to be borne by the City of Canyon, Texas.

It is specifically requested that all property owners of such abutting properties to the streets and avenues above designated, come to the City Hall of Canyon, Texas, prior to such meeting, and being prior to October 25th, 1946 to sign Mechanic's and Materialmen's Lien Paving Contracts. Notice of such time and place of hearing was duly called for by resolution of the City Commission at regular session on October 7th, 1946.

BEETS FURNITURE STORE

Located in Amarillo at 615 W. 6th. Phone 8926.

Complete Stock of New and Used Furniture. 33 years in Furniture Business. Mr. and Mrs. Beets, Owners. They have a liberal Credit System without Carrying Charges.

This is one of the most progressive new and used furniture stores specializing in good used furniture. They buy complete bills of household goods any place in the state. Standard makes of good used furniture will be found throughout this store. We venture the statement that because they contribute probably to a larger degree than any other institution in this important work.

This establishment, under the efficient direction of latter-day business men is replete with furnishings for the home, and no matter what may be your need in this line, they have it for you at a very reasonable price. A visit to the store, however, will readily prove to you that it is the proper and most advantageous place to buy. This establishment and the men who direct its affairs are contributing in no little measure to this section of the state and especially to that portion within a radius of several miles around.

Their ample stock of furniture and furnishings are from the best manufacturers in the country. They carry selective and extensive lines which will suit the most fastidious taste. If you are furnishing a new home, don't fail to see the furniture and furnishings carried at the Beets Furniture Store.

This popular furniture establishment has probably furnished more homes and done more to make the occupants happy and contented than any other one institution in this section.

This community is more progressive and more attractive by reason of their activities and in this review of our onward progress we wish not only to compliment them but to advise all our readers that they can do no better than to visit the store when in need of anything in their line. ADV.

A FARMER TOLD ME

"Electric Service is my BEST Hired Hand . . ."

It's no wonder that farmers praise the advantages of electric power. Electricity has scores of uses on a modern farm and provides reliable, efficient power at extremely low cost.

For milking, incubation and brooding, light to work by, power for a work shop, there's nothing to match it. And today, electricity is cheaper than ever before. It's always ready 24 hours a day and doesn't register on the meter when not working for you.

We're proud that in our 22 years of service we've been a pioneer in building ahead for the future. Our 12 million dollar expansion program is bringing the advantages of dependable low-cost electric power to more and more farmers in the entire Panhandle-Plains Pecos Valley area.

A PIONEER IN BUILDING AHEAD FOR THE FUTURE!

Another in a series of advertisements designed to help build this fast-growing territory in which we serve.
